The Offering

On January 2, 2026, Perimeter Holdings, LLC (“Perimeter Holdings”), an indirect wholly owned subsidiary of Perimeter Solutions, Inc. (the “Company”), completed its previously announced offering of \$550 million in aggregate principal amount of 6.250% senior secured notes due 2034 (the “Notes”) in transactions that were exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”).

The Notes were issued under an indenture, dated January 2, 2026 (the “Indenture”), by and among Perimeter Holdings, the guarantors party thereto and U.S. Bank Trust Company, National Association, as trustee and notes collateral agent. The Notes mature on January 15, 2034, and bear interest at a rate of 6.250% per annum, payable in cash semi-annually in arrears on January 15 and July 15 of each year, commencing on July 15, 2026.

Perimeter Holdings intends to use the net proceeds of the Notes, together with cash on hand, to pay the cash consideration for the acquisition of Medical Manufacturing Technologies, LLC (“MMT”) and to pay related fees and expenses.

Guarantees

The Notes are fully and unconditionally guaranteed on a senior secured basis, jointly and severally, by Perimeter Intermediate, LLC (“Perimeter Intermediate”), the direct parent of Perimeter Holdings, and, subject to certain exclusions, all of Perimeter Holdings’ existing or future restricted subsidiaries that guarantee Perimeter Holdings’ revolving credit facility.

Security

The Notes are secured, subject to permitted liens, by a first-priority security interest in substantially all present and hereafter acquired property and assets of Perimeter Holdings and the guarantors, which also constitutes collateral securing indebtedness under Perimeter Holdings’ revolving credit facility.

Ranking

The Notes are general, secured, senior obligations of Perimeter Holdings. Accordingly, the Notes will rank senior in right of payment to any future subordinated indebtedness of Perimeter Holdings. The Notes are subordinated in right of payment only to any indebtedness that ranks senior to the Notes by operation of law.

Certain Covenants

The Indenture also contains customary events of default and remedies (including acceleration).

Redemption

Perimeter Holdings may redeem the Notes, in whole or in part, at the redemption prices set forth in the Indenture plus accrued and unpaid interest, if any, to, but not including, the redemption date.

In the event that (i) the acquisition of MMT is not consummated on or prior to September 9, 2026, (ii) Perimeter Holdings notifies U.S. Bank Trust Company, National Association, as trustee and notes collateral of the Notes that it will not pursue the acquisition of MMT or (iii) Perimeter Holdings terminates the MMT purchase agreement without consummating the acquisition of MMT (the earliest to occur of the events described in (i), (ii) or (iii) of this sentence, an “Acquisition Triggering Event”), Perimeter Holdings will be redeem within 30 days of the Acquisition Triggering Event all of the outstanding Notes at a redemption price of 100% of the initial issue price of the Notes, plus accrued and unpaid interest to, but not including, the redemption date.

However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) *Temporary Global Notes.* Notes offered and sold in reliance on Regulation S may, if the Issuer determines to do so in its sole discretion, be issued initially in the form of a Regulation S Temporary Global Note, which will be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee, as custodian for the Depositary, and registered in the name of the Depositary or the nominee of the Depositary for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. After the expiration of the Restricted Period and upon the receipt by the Trustee of:

(1) certificates from Euroclear and Clearstream, substantially in the form of Exhibit E hereto, certifying that they have received certification of non-United States beneficial ownership of 100% of the aggregate principal amount of the Regulation S Temporary Global Note (except to the extent of any Beneficial Owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who will take delivery of a beneficial ownership interest in a 144A Global Note bearing a Private Placement Legend, all as contemplated by Section 2.06(b) hereof); and

(2) an Officer's Certificate from the Issuer, beneficial interests in the Regulation S Temporary Global Note will be exchanged for beneficial interests in the Regulation S Permanent Global Note pursuant to the Applicable Procedures. Simultaneously with such exchange of the Regulation S Permanent Global Note, the Trustee will cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee, as the case may be, in connection with transfers of interests as hereinafter provided.

(d) *Euroclear and Clearstream Procedures Applicable.* The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions of Clearstream Banking” and “Customer Handbook” of Clearstream will be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Note that are held by Participants through Euroclear or Clearstream.

(e) *Issuance of Additional Notes.* Additional Notes ranking *pari passu* with the Initial Notes may be issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes (other than the issue date, the issue price, the first Interest Payment Date and the initial interest accrual date) and shall have the same terms as to status, redemption or otherwise as the Initial Notes; *provided* that in order for any Additional Notes to have the same CUSIP number as the Initial Notes, such Additional Notes must be fungible with the Initial Notes for U.S. federal income tax purposes; *provided, further*, that the Issuer’s ability to issue Additional Notes shall be subject to the Issuer’s compliance with Sections 4.09 and 4.12 hereof.

Section 2.02 *Execution and Authentication.*

At least one Officer must sign the Notes for the Issuer by manual, facsimile or other electronic signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of an authorized signatory of the Trustee. The signature will be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

The Trustee will, upon receipt of a written order of the Issuer signed by an Officer of the Issuer (an “*Authentication Order*”), together with the other documents required under Sections 13.02 and 13.03 hereof, if any, authenticate (i) Notes for original issue, of which \$550,000,000 in aggregate principal amount will be issued on the Issue Date and (ii) any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuer pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

Section 2.03 *Registrar and Paying Agent.*

The Issuer will maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and an office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar will keep a register of the Notes and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Issuer may change any Paying Agent or Registrar without notice to any Holder. The Issuer will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

The Issuer initially appoints The Depository Trust Company (“*DTC*”) to act as Depositary with respect to the Global Notes.

The Issuer initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Issuer will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium on, if any, and interest on, the Notes, and will notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary) will have no further liability for the money. If the Issuer or a Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer will furnish to the Trustee at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Issuer for Definitive Notes if:

(1) the Issuer delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Issuer within 120 days after the date of such notice from the Depositary;

(2) the Issuer in its sole discretion determines, subject to the procedures of the Depositary, that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; *provided* that in no event shall the Regulation S Temporary Global Note be exchanged by the Issuer for Definitive Notes prior to (A) the expiration of the Restricted Period and (B) the receipt by the Trustee of the certificates required pursuant to Section 2.01(c) hereof; or

(3) there has occurred and is continuing a Default or Event of Default with respect to the Notes and the Beneficial Owners thereof have requested such exchange.

Upon the occurrence of either of the preceding events in (1) or (2) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c), (d) or (f) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. None of the Issuer, Trustee, Paying Agent, nor any Agent of the Issuer shall have any responsibility or liability for any aspect of the records relating to or payment made on account of beneficial ownership interests in a Global Note, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). (ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Trustee of the certificates required by Section 2.01(c) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

The Issuer may charge for its expenses in replacing a Note.

In case any such mutilated, destroyed, lost, or stolen Note has become due and payable, the Issuer in its sole discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.07, the Issuer may require the payment of a sum sufficient to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.07 in exchange for any mutilated Note or in lieu of any destroyed, lost, or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Note shall be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.07 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Notes.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to the Issuer for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

None of the Issuer, the Trustee, or any Agent shall have any responsibility or obligation to any Beneficial Owner in a Global Note, a Participant, an Indirect Participant or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Participant or Indirect Participant, with respect to any ownership interest in the Notes or with respect to the delivery to any a Participant, Indirect Participant, Beneficial Owner or other Person (other than the Depositary) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Note. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depositary or its nominee in the case of the Global Note). The rights of Beneficial Owners in the Global Note shall be exercised only through the Depositary subject to the Applicable Procedures. The Issuer, the Trustee, and each Agent shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its Participants, Indirect Participants and any Beneficial Owners. The Issuer, the Trustee, and each Agent shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and additional amounts, if any, and the giving of instructions or directions by or to the owner or Holder of a beneficial ownership interest in such Global Note) as the sole holder of such Global Note and shall have no obligations to the Beneficial Owners thereof. None of the Issuer, the Trustee, or any Agent have any responsibility or liability for any acts or omissions of the Depositary with respect to such Global Note, for the records of any such depositary, including records in respect of beneficial ownership interests in respect of any such Global Note, for any transactions between the Depositary and any Participant, Indirect Participant or between or among the Depositary, any such Participant and Indirect Participant and/or any holder or owner of a beneficial interest in such Global Note, or for any transfers of beneficial interests in any such Global Note.

Notwithstanding the foregoing, with respect to any Global Note, nothing herein shall prevent the Issuer, the Trustee, or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by any Depositary (or its nominee), as a Holder, with respect to such Global Note or shall impair, as between such Depositary and owners of beneficial interests in such Global Note, the operation of customary practices governing the exercise of the rights of such Depositary (or its nominee) as Holder of such Global Note.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned will be so disregarded. Upon request of the Trustee, the Issuer will identify any such Notes known by the Issuer to be so owned in an Officer's Certificate delivered to the Trustee, upon which the Trustee shall be entitled to conclusively rely.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer will prepare and the Trustee will authenticate Definitive Notes in exchange for temporary Notes. Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee for cancellation any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of cancelled Notes in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act). Upon the request of the Issuer, certification of the cancellation of all cancelled Notes will be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, the Issuer will pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof; *provided* that if the Issuer pays the defaulted interest prior to the date that is 30 days after the date of default in payment of interest, payment shall be to the recordholders of the Notes as of the original record date. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. If such default in interest continues for 30 days, the Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will mail or cause to be mailed (or with respect to Global Notes, to the extent permitted or required by applicable DTC procedures or regulations, send electronically) to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *CUSIP Numbers.*

The Issuer in issuing the Notes may use "CUSIP" or other similar numbers (if then generally in use) and, if so, the Trustee shall use "CUSIP" or other similar numbers in notices of redemption as a convenience to Holders; *provided*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will as promptly as practicable notify the Trustee in writing of any change in "CUSIP" or other similar numbers.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.10 hereof, it must furnish to the Trustee, at least five Business Days for Global Notes and 10 days for Definitive Notes (or such shorter period acceptable to the Trustee) before a notice of redemption is required to be mailed or sent to Holders pursuant to Section 3.03, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed;
- (4) the redemption price, if then ascertainable;
- (5) if such redemption is conditioned, then one or more conditions precedent; and

(6) if requested by the Issuer, that the Trustee give the notice of redemption in the Issuer's name and at its expense setting forth the information to be stated in such notice as provided in Section 3.03.

In connection with a Special Mandatory Redemption pursuant to the redemption provisions of Section 3.09 hereof, the Issuer shall furnish to the Trustee, at least 10 Business Days (or such shorter period as the Trustee may agree) before a notice of such redemption is required to be mailed or sent to Holders hereunder, an Officer's Certificate setting forth the above information, and, notwithstanding any provision of Section 3.09 to the contrary, the Trustee shall no later than five Business Days after receipt of such Officer's Certificate provide the required notice to Holders.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee (subject to Section 4.10 or 4.14, as applicable) will select Notes for redemption or purchase pro rata, by lot or by such method as it shall deem fair and appropriate, in accordance with the Applicable Procedures of DTC. If the Notes are represented by Global Notes, interests in such Global Notes will be selected for redemption or purchase by DTC in accordance with its Applicable Procedures.

In the event of partial redemption or purchase, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 nor more than 60 days prior to the redemption or purchase date (unless such notice of redemption is mailed or sent more than 60 days prior to a redemption or purchase date pursuant to clause (a) or (b) of Section 3.03) by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased; *provided*, that the unredeemed or unpurchased portion of a Note must be in a minimum denomination of \$2,000. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.13 hereof, at least 10 days but not more than 60 days before a redemption date, the Issuer will mail or cause to be mailed, by first class mail (or with respect to Global Notes, to the extent permitted or required by applicable DTC procedures or regulations, send electronically), a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed or sent more than 60 days prior to a redemption date if (a) the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof or (b) in the case of a redemption that is subject to one or more conditions precedent, the date of redemption is extended as permitted in this Indenture.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price, or if not then ascertainable, the manner of calculation thereof,
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder of the Notes upon cancellation of the original Note (or transferred by book entry);
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date (whether or not a Business Day);
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- (9) if the redemption is conditional, the one or more conditions precedent and that the Issuer may delay the redemption date in its discretion until such time as the condition or conditions are satisfied or waived by the Issuer in its sole discretion, or such redemption may not occur and such notice may be modified or rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the redemption date, or by the redemption date so delayed (which may exceed 60 days from the date of the redemption notice in such case).

At the Issuer's request, the Trustee will give the notice of redemption in the Issuer's name and at the Issuer's expense subject to compliance with Section 3.01 and Section 3.09, as applicable.

Section 3.04 *Effect of Notice of Redemption.*

Except as provided in Section 3.10(f) hereof, once notice of redemption is mailed or transmitted in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date (as such date may be extended or delayed) at the redemption price. The notice, if mailed or transmitted in a manner herein provided shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or by such other means as may be required hereby or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the redemption date, interest will cease to accrue on the Notes or portion thereof called for redemption as of the redemption date (whether or not a Business Day).

Section 3.05 *Deposit of Redemption or Purchase Price.*

Prior to 11:00 a.m. Eastern Time on the redemption or purchase date, the Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of, and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuer will issue, and upon receipt of an Authentication Order, together with the documents required in Sections 13.02 and 13.03 hereof, the Trustee will authenticate for the Holder at the expense of the Issuer, a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered (or transfer such Note by book entry).

Section 3.07 *[Reserved]*

Section 3.08 *[Reserved]*

Section 3.09 *Special Mandatory Redemption*

(a) On the earliest of (i) September 9, 2026, if the MMT Acquisition has not been consummated, (ii) the date the Issuer notifies the Trustee in writing that it will not pursue the MMT Acquisition or (iii) the date the Purchase Agreement has been terminated without the consummation of the MMT Acquisition (the earliest to occur of the events described in clauses (i), (ii) or (iii) of this sentence, an “*Acquisition Triggering Event*”), the Issuer will redeem, within 30 days of the Acquisition Triggering Event, all of the outstanding Notes (the “*Special Mandatory Redemption*”) at a redemption price equal to 100% of the initial issue price of the Notes, plus accrued and unpaid interest to, but not including, the redemption date (the “*Special Mandatory Redemption Price*”).

(b) Upon the occurrence of an Acquisition Triggering Event, the Issuer will, either directly or through the Trustee at the Company’s expense, direction and on the Company’s behalf, within five Business Days following an Acquisition Triggering Event, notify the holders of the Notes by mail (or electronic delivery) of such event and that all of the Notes outstanding will be redeemed at the Special Mandatory Redemption Price no later than 30 days after the Acquisition Triggering Event (such date, the “*Special Mandatory Redemption Date*”). On the Special Mandatory Redemption Date, the Issuer shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for all of the outstanding Notes and direct the Trustee to redeem the Notes on the Special Mandatory Redemption Date. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date and the Trustee shall cause the redemption of the outstanding Notes and the payment of the Special Mandatory Redemption Price.

Section 3.10 *Optional Redemption.*

(a) At any time prior to January 15, 2029, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes (calculated after giving effect to the issuance of any Additional Notes) issued under this Indenture at a redemption price equal to 106.250% of the principal amount of Notes redeemed, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the date of redemption (subject to the right of Holders of Notes on a relevant record date to receive interest on an Interest Payment Date occurring on or prior to the redemption date), with the cash proceeds of any Equity Offering; *provided that*:

(1) at least 50% of the aggregate principal amount of Notes (calculated after giving effect to the issuance of any Additional Notes) issued under this Indenture remains outstanding immediately after the occurrence of each such redemption (except to the extent otherwise repurchased or redeemed in accordance with the terms of this Indenture); and

(2) the redemption occurs within 180 days of the date of the closing of such Equity Offering.

(b) At any time prior to January 15, 2029, the Issuer may on any one or more occasions redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of the date of the redemption notice, and accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the date of redemption, subject to the rights of Holders of Notes on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date.

(c) At any time, in connection with any offer to purchase the Notes (including pursuant to a Change of Control Offer, Alternate Offer or Asset Sale Offer), if Holders of at least 90% in aggregate principal amount of the Notes outstanding tender such Notes in such offer, the Issuer or such other Person, upon notice given not more than 60 days following such purchase pursuant to such offer, may redeem all of the remaining Notes of such series at a price in cash equal to the price offered to each Holder in such prior offer, *plus*, to the extent not included in the prior offer payment, accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the date of redemption, subject to the rights of Holders of Notes on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date. In determining whether the Holders of at least 90% in aggregate principal amount of the outstanding Notes have validly tendered and not validly withdrawn Notes in an offer, Notes owned by an Affiliate of the Issuer or by funds controlled or managed by an Affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of such offer.

(d) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Issuer's option prior to January 15, 2029.

(e) On or after January 15, 2029, the Issuer may on any one or more occasions redeem all or a portion of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the applicable date of redemption, if redeemed during the 12-month period beginning on January 15 of the years indicated below, subject to the rights of Holders of Notes on a relevant record date to receive interest on an Interest Payment Date occurring on or prior to the redemption date:

Year	Percentage
2029	103.125%
2030	101.563%
2031 and thereafter	100.000%

(f) Any redemption pursuant to this Section 3.10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof. In connection with any redemption of Notes made pursuant to this Section 3.10, any such redemption may, at the Issuer's discretion, be performed by another Person and/or be subject to one or more conditions precedent. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, the related notice of redemption shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the redemption date, or by the redemption date so delayed (which may exceed 60 days from the date of the redemption notice in such case). Such notice of redemption may be extended if such conditions precedent have not been met by providing notice to the Holders of the Notes. Notes called for redemption become due on the applicable redemption date (to the extent such redemption date occurs and as such date may be extended or delayed). Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date (whether or not a Business Day).

(g) The Issuer or its Affiliates may at any time and from time to time purchase Notes. Any such purchases may be made through open market or privately negotiated transactions with third parties or pursuant to one or more tender or exchange offers or otherwise, upon such terms and at such prices as well as with such consideration as the Issuer or any such Affiliates may determine. To the extent Notes are purchased or otherwise acquired by the Issuer, such Notes may be cancelled and all obligations thereunder terminated.

Section 3.11 *[Reserved]*.

Section 3.12 *Mandatory Redemption*.

Except as set forth in Section 3.09 hereof, the Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.13 *Offer to Purchase by Application of Excess Proceeds*.

In the event that, pursuant to Section 4.10 hereof, the Issuer is required to commence an offer to all Holders to purchase Notes (an "*Asset Sale Offer*"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and, if required by the terms of any Parity Lien Indebtedness and, if the assets or property disposed of in the Asset Sale was not Collateral, Indebtedness of the Issuer or any Guarantor that ranks *pari passu* with the Notes and contains provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets; the Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). Promptly after the termination of the Offer Period (the "*Offer Purchase Date*"), the Issuer will apply all Excess Proceeds (the "*Offer Amount*") to the purchase of Notes, Parity Lien Indebtedness and such other *pari passu* Indebtedness (to be purchased on a *pro rata* basis based on the principal amount of Notes, Parity Lien Indebtedness and such other *pari passu* Indebtedness tendered or required to be repaid or redeemed), and thereafter, the Notes to be purchased shall be selected on a *pro rata* basis (subject to applicable DTC procedures with respect to the Global Notes) based on the principal amount tendered (with, in each case, such adjustments as may be deemed appropriate by the Issuer, so that only Notes in denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased, *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer shall be purchased. Payment for any Notes so purchased will be made in the same manner as principal and interest payments are made.

If the Offer Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Issuer will send, by first class mail (or with respect to Global Notes to the extent permitted or required by applicable DTC procedures or regulations, send electronically), a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

- (1) that the Asset Sale Offer is being made pursuant to this Section 3.13 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;
- (2) the Offer Amount, the purchase price and the Offer Purchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Offer Purchase Date (whether or not a Business Day);
- (5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in minimum denominations of \$2,000 or an integral multiple of \$1,000 in excess thereof; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000;
- (6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer the Note by book-entry transfer, to the Issuer, a Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three Business Days before the Offer Purchase Date;
- (7) that Holders will be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (8) that, if the aggregate principal amount of Notes, Parity Lien Indebtedness and other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Issuer will select the Notes, Parity Lien Indebtedness and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes, Parity Lien Indebtedness and such other *pari passu* Indebtedness tendered or required to be prepaid or redeemed, and thereafter the Trustee will select the Notes to be purchased on a *pro rata* basis (subject to applicable DTC procedures with respect to Global Notes) based on the principal amount tendered (with, in each case, such adjustments as may be deemed appropriate by the Issuer or the Trustee, as applicable, so that only Notes in minimum denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000); and
- (9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Offer Purchase Date, the Issuer will, to the extent lawful, accept for payment (on a *pro rata* basis to the extent necessary), the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.13. The Issuer, the Depositary or the Paying Agent, as the case may be, will promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, together with the documents required under Sections 13.02 and 13.03 hereof, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer will publicly announce the results of the Asset Sale Offer on or as soon as practicable after the Offer Purchase Date.

Notwithstanding anything in this Indenture to the contrary, the Issuer's obligation to make an Asset Sale Offer may be waived or modified or terminated with written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes) prior to the date by which the Issuer is required to make such Asset Sale Offer.

ARTICLE 4 COVENANTS

Section 4.01 *Payment of Notes.*

The Issuer will pay or cause to be paid the principal of, premium on, if any, and interest, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Issuer, Holdings or a Subsidiary thereof, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due. Payments on the Notes will be made free and clear of any deduction or withholding for taxes, except as otherwise required by law.

The Issuer will pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue installments of interest at the same stepped-up rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Issuer will maintain in the contiguous United States, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee; *provided* that no service of legal process against the Issuer or any Guarantors may be made at any office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuer of their obligation to maintain an office or agency in the contiguous United States for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) So long as any Notes are outstanding, the Issuer will provide the Trustee and, upon request, to Holders of Notes a copy of all of the information and reports referred to below:

(1) within 90 days after the end of each fiscal year (or such longer period as may be permitted by the Commission pursuant to the reporting requirements for a non-accelerated filer), annual audited consolidated financial statements of the Issuer that would have been required to be contained in an Annual Report on Form 10-K under the Exchange Act if the Issuer had been a reporting company under the Exchange Act for such fiscal year (but only to the extent similar information is presented in the Offering Memorandum), including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" with respect to the periods presented and a report on the annual financial statements by the Issuer's independent accountants (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Memorandum);

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year thereafter (or such longer period as may be permitted by the Commission pursuant to the reporting requirements for a non-accelerated filer), unaudited quarterly consolidated financial statements of the Issuer (including a balance sheet, statement of operations and statement of cash flows) that would have been required to be contained in a Quarterly Report on Form 10-Q under the Exchange Act if the Issuer had been a reporting company under the Exchange Act for the interim period as of, and for the period ending on, the end of such fiscal quarter (but only to the extent similar information is presented in the Offering Memorandum), including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Memorandum), subject to normal year-end adjustments and the absence of footnotes; and

(3) within 15 days after the time period specified for filing current reports on Form 8-K by the Commission, current reports containing substantially all of the information that would be required to be filed in a current report on Form 8-K under the Exchange Act on the Issue Date pursuant to Items 1.01, 1.03, 2.01, 2.03, 2.04, 4.01, 4.02, 5.01, 5.02(a) through (c) (other than compensation information), and 5.03(b) (in each case, excluding the financial statements, pro forma financial information and exhibits, if any, that would be required by Item 9.01) of Form 8-K if the Issuer had been a reporting company under the Exchange Act; *provided, however*, that no such current report will be required to be furnished if the Issuer determines in its good faith judgment that such event is not material to Holders or the business, assets, operations, financial position or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole, or if the Issuer determines in its good faith judgment that such disclosure would otherwise cause material competitive harm to the business, assets, operations, financial position or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole;

provided, however, that in addition to providing such information to the Trustee, the Issuer will be required to make available to the Holders, bona fide prospective investors in the Notes, bona fide market makers in the Notes affiliated with any Initial Purchaser and bona fide securities analysts (to the extent providing analysis of investment in the Notes) such information by (i) posting to its website (or the website of any direct or indirect parent of the Issuer or of a Subsidiary of the Issuer) or on IntraLinks or any comparable password-protected online data system, in each case, subject to the extensions provided for in clauses (1) and (2) of this Section 4.03(a), within 15 days after the time the Issuer would be required to provide such information pursuant to clause (1), (2) or (3) above, as applicable, or (ii) otherwise providing substantially comparable availability of such reports (as determined by the Issuer in good faith) (it being understood that, without limitation, making such reports available on Bloomberg or another comparable private electronic information service shall constitute substantially comparable availability).

(b) Notwithstanding the foregoing, (a) the Issuer will not be required to furnish any information, financial statements, certificates or reports required by (i) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K, (ii) Regulation G or Item 10(e) of Regulation S-K promulgated by the Commission with respect to any non-GAAP financial measures contained therein, or (iii) Rule 3-01(e), Rule 3-05, Rule 3-09, Rule 3-10 or Rule 3-16 of Regulation S-X, (b) such reports will not be required to contain any segment reporting, (c) such reports shall not be required to present compensation required by Item 402 of Regulation S-K or otherwise or beneficial ownership information and (d) the information and reports referred to in Section 4.03(a)(1), (2) and (3) shall not be required to include any exhibits required by Item 15 of Form 10-K, Item 6 of Form 10-Q or Item 9.01 of Form 8-K.

(c) The Issuer will be deemed to have furnished such information and reports referred to above to the Trustee and the Holders of the Notes if the Issuer or any direct or indirect parent of the Issuer has (i) filed such reports with the Commission via the EDGAR (or successor) filing system or if such reports are otherwise publicly available, or (ii) posted such reports on the Issuer's (or any direct or indirect parent of the Issuer or any Subsidiary) website. The Trustee will have no responsibility to determine whether such filing or posting has occurred.

(d) For so long as the Issuer has designated certain of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required to be provided by Section 4.03(a) will include a reasonably detailed summary presentation (which need not be audited or reviewed by the auditors), either on the face of the financial statements, in the footnotes thereto, in the "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section, of the financial condition and results of operations of the Issuer and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Issuer.

(e) In addition, to the extent not satisfied by the foregoing, the Issuer will agree that, for so long as any Notes are outstanding, it will furnish to Holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision).

(f) In addition, notwithstanding the foregoing, the financial statements, information and other information and documents required to be provided as described in this Section 4.03 may be, rather than those of the Issuer, those of (a) any predecessor or successor of the Issuer or any entity meeting the requirements of clause (b) or (c) of this paragraph, (b) any Wholly Owned Subsidiary of the Issuer that, together with its consolidated Subsidiaries, constitutes substantially all of the assets of the Issuer and its consolidated Subsidiaries ("*Qualified Reporting Subsidiary*") or (c) any direct or indirect parent of the Issuer; *provided* that, if the financial information so furnished relates to such Qualified Reporting Subsidiary of the Issuer or such direct or indirect parent of the Issuer, the same is accompanied by consolidating information, which may be posted to the website of the Issuer (or any direct or indirect parent of the Issuer or any Subsidiary) or on a non-public, password-protected website maintained by the Issuer or a third party, that explains in reasonable detail the differences between the information relating to such Qualified Reporting Subsidiary or such parent entity (as the case may be), on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited or reviewed by the Issuer's independent accountants.

(g) So long as Notes are outstanding, the Issuer will also:

(a) within 15 Business Days after furnishing to the Trustee the annual and quarterly reports required by Section 4.03(a)(1) and (2), hold a conference call to discuss such reports and the results of operations for the relevant reporting period; and

(b) post to its website or on IntraLinks or any comparable password-protected online data system, which will require a confidentiality acknowledgment, prior to the date of the conference call required to be held in accordance with Section 4.03(g)(a), announcing the time and date of such conference call and either including all information necessary to access the call or informing holders, prospective investors, market makers affiliated with any Initial Purchaser and securities analysts how they can obtain such information, including, without limitation, the applicable password or other login information.

Any Person who requests or accesses such financial information required by this Section 4.03(g) will be required to represent to the Issuer (to the reasonable good faith satisfaction of the Issuer) that:

(1) it is a Holder, a Beneficial Owner of the Notes, a bona fide prospective investor in the Notes or a bona fide market maker in the Notes affiliated with any Initial Purchaser or a bona fide securities analyst providing an analysis of investment in the Notes;

(2) it will not use the information in violation of applicable securities laws or regulations;

(3) it will keep such information confidential and will not communicate the information to any Person and not use such information in any manner intended to compete with the business of the Issuer and its Subsidiaries; and

(4) it is not a Person (which includes such Person's Affiliates) that (i) is principally engaged in a Permitted Business or (ii) derives a significant portion of its revenue from operating a Permitted Business.

Notwithstanding anything herein to the contrary, failure by the Issuer to comply with any of its obligations hereunder for purposes of Section 6.01(3) will not constitute an Event of Default thereunder until 120 days after the receipt of the written notice delivered thereunder; *provided* that, to the extent any information is not provided within the time periods specified in this Section 4.03 and such information is subsequently provided, the Issuer will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured.

The delivery of any reports, information and documents to the Trustee is for informational purposes only and the information and the Trustee's receipt of such reports shall not constitute actual or constructive knowledge or notice of any information contained therein or determined therefrom, including the Issuer's compliance with any of its covenants (as to which the Trustee shall be entitled to rely conclusively on an Officer's Certificate). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or statements contained therein. The Trustee is entitled to assume such compliance and correctness unless a Responsible Officer of the Trustee is informed in writing otherwise. The Trustee shall have no responsibility for the filing, timeliness or content of any such reports, information or documents, and the Trustee shall have no duty to participate in or monitor any conference calls.

Section 4.04 *Compliance Certificate.*

(a) The Issuer shall deliver to the Trustee, within 90 days after the end of each fiscal year (beginning with the first full fiscal year after the Issue Date, which may be delivered within 120 days after the end of such fiscal year), an Officer's Certificate stating that in the course of the performance by the signer of his or her duties as an Officer of the Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during such period and is continuing as of the date of such Officer's Certificate (and, if any such Default or Event of Default has occurred and is continuing, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuer or Guarantors are taking or propose to take with respect thereto).

(b) So long as any of the Notes are outstanding, the Issuer will deliver to the Trustee, within 30 days of any Officer becoming aware of any Default or Event of Default (unless such Default or Event of Default has been cured or waived during such 30-day period), an Officer's Certificate specifying such Default or Event of Default, its status and what action the Issuer or the Guarantors are taking or propose to take with respect thereto. The Trustee will not be deemed to have knowledge of any Default or Events of Default unless written notice of an event, which is in fact a Default, has been delivered to the Trustee in accordance with this Indenture and such notice references the Notes and this Indenture and states that it is a "Notice of Default."

Section 4.05 *[Reserved]*

Section 4.06 *Stay, Extension and Usury Laws.*

The Issuer and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; the Issuer and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Restricted Payments*.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of the Issuer's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Issuer or any of its Restricted Subsidiaries) (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Issuer and other than dividends or distributions payable to the Issuer or a Restricted Subsidiary of the Issuer);

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Issuer) any Equity Interests of the Issuer or any direct or indirect parent of the Issuer;

(3) make any voluntary or optional payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of the Issuer or any Subsidiary Guarantor that is contractually subordinated in right of payment to the Notes or to any Note Guarantee, except any such payment on Indebtedness permitted under Section 4.09(b)(6) or (7) and a payment of interest when due or principal at the Stated Maturity thereof or the purchase, redemption, repurchase, defeasance, acquisition or retirement for value of any such Indebtedness within 365 days of the Stated Maturity thereof; or

(4) make any Restricted Investment

(all such payments and other actions set forth in clauses (1) through (4) of this Section 4.07(a) being collectively referred to as "*Restricted Payments*"), unless, at the time of and after giving effect to such Restricted Payment:

(x) in the case of clauses (1), (2) and (3) above, no Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(y) other than with respect to any Restricted Payments made pursuant to clause (z)(F) below, the Issuer would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment has been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness as Ratio Debt; and

(z) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer or its Restricted Subsidiaries since the Issue Date (including Restricted Payments permitted by Section 4.07(b)(3) hereof and excluding Restricted Payments permitted by all other clauses of Section 4.07(b) hereof), is less than the sum, without duplication, of:

(A) an amount (which may not be less than zero) equal to 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period) from January 1, 2022 to the end of the most recently ended fiscal quarter for which internal financial statements of the Issuer are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(B) 100% of the aggregate net proceeds, including cash and Fair Market Value of property other than cash (as determined in accordance with Section 4.07(c) hereof), received by the Issuer after the Issue Date as a contribution to its common equity capital or from the issue or sale of Qualifying Equity Interests of the Issuer or any direct or indirect parent of the Issuer (excluding, without duplication, Designated Preferred Stock, the Cash Contribution Amount and Excluded Contributions), or from the issue or sale of Disqualified Stock of the Issuer or debt securities of the Issuer, in each case that have been converted into or exchanged for Qualifying Equity Interests of the Issuer (other than Qualifying Equity Interests and convertible or exchangeable Disqualified Stock or debt securities sold to a Subsidiary of the Issuer); *plus*

(C) 100% of the aggregate amount of cash and the Fair Market Value of property other than cash (as determined in accordance with Section 4.07(c) hereof) received by the Issuer or a Restricted Subsidiary of the Issuer from (A) the sale or disposition (other than to the Issuer or a Restricted Subsidiary of the Issuer) of Restricted Investments made after the Issue Date and from repurchases and redemptions of such Restricted Investments from the Issuer and its Restricted Subsidiaries by any Person (other than the Issuer or its Restricted Subsidiaries) and from repayments of loans or advances that constituted Restricted Investments made after the Issue Date; (B) the sale (other than to the Issuer and its Restricted Subsidiaries) of the Capital Stock of an Unrestricted Subsidiary; (C) a distribution or dividend from an Unrestricted Subsidiary, to the extent that such amounts were not otherwise included in the Consolidated Net Income of the Issuer for such period; (D) any Restricted Investment that was made after the Issue Date in a Person that is not a subsidiary at such time that subsequently becomes a Restricted Subsidiary of the Issuer; and (E) any returns, profits, distributions and similar amounts received on account of any Permitted Investment made after the Issue Date subject to a dollar-denominated or ratio-based basket (to the extent in excess of the original amount of such Investment) and without duplication of any returns, profits, distributions or similar amounts included in the calculation of such basket; *plus*

(D) in the event that any Unrestricted Subsidiary of the Issuer designated as such after the Issue Date is redesignated as a Restricted Subsidiary or has been merged or consolidated with or into or transfers or conveys its assets to, or is liquidated into, the Issuer or a Restricted Subsidiary of the Issuer, in each case after the Issue Date, an amount (which may not be less than zero) equal to 100% of the Fair Market Value of the Issuer's Restricted Investment in such Subsidiary (as determined in accordance with Section 4.07(c) hereof) as of the date of such redesignation, combination or transfer (or of the assets transferred or conveyed, as applicable), after deducting any Indebtedness associated with the Unrestricted Subsidiary so designated or combined or any Indebtedness associated with the assets so transferred or conveyed (other than in each case to the extent that the designation of such Subsidiary as an Unrestricted Subsidiary constituted a Permitted Investment); *plus*

(E) the aggregate amount of Retained Declined Proceeds since the Issue Date; *plus*

(F) the greater of (x) \$144.0 million and (y) 40.0% of Consolidated EBITDA.

(b) The provisions of Section 4.07(a) hereof will not prohibit:

(1) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary of the Issuer to the Holders of its Equity Interests so long as the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution;

(2) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Issuer) of, Equity Interests of the Issuer (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to the Issuer; provided that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will not be considered to be net proceeds of Qualifying Equity Interests for purposes of Section 4.07(a)(z)(B) hereof;

(3) the payment of any dividend, the consummation of any redemption or making of any Investment within 90 days after the date of declaration of the dividend, the giving of the redemption notice or the entering into of a definitive agreement to make the investment, as the case may be, if at the date of declaration, notice or execution of agreement, the dividend, redemption payment or investment would have complied with the provisions of this Indenture;

(4) the repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of the Issuer or any Subsidiary Guarantor that is contractually subordinated in right of payment to the Notes or to any Note Guarantee with the net cash proceeds of Refinancing Indebtedness;

(5) the repurchase, retirement or other acquisition (or the declaration and payment of dividends to, or the making of loans to, any direct or indirect parent of the Issuer, to finance any such repurchase, retirement or other acquisition) for value of Equity Interests of the Issuer, any direct or indirect parent of the Issuer or any Restricted Subsidiary of the Issuer held by any future, present or former employee, officer, director, manager, consultant or independent contractor of the Issuer, any direct or indirect parent of the Issuer or any Subsidiary of the Issuer (or any such Person's estates, heirs, family members, spouses or former spouses or permitted transferees) (including for all purposes of this clause (5), Equity Interests held by any entity whose Equity Interests are held by any such future, present or former employee, officer, director, manager, consultant or independent contractor (or their estates, heirs, family members, spouses or former spouses or permitted transferees) pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or other similar agreement or arrangement; *provided* that the aggregate amounts paid under this clause (5) do not exceed the greater of (x) \$36.0 million and (y) 10.0% of Consolidated EBITDA in any calendar year (with unused amounts in any calendar year being permitted to be carried over for succeeding calendar years); *provided, further*, that such amount in any calendar year may be increased by an amount not to exceed:

(b) the cash proceeds of key man life insurance policies received by the Issuer or any direct or indirect parent of the Issuer (to the extent contributed to the Issuer), and its Restricted Subsidiaries after the Issue Date; *plus*

(c) the amount of any cash bonuses otherwise payable to employees, officers, directors, managers, consultants or independent contractors of the Issuer or its Restricted Subsidiaries or any direct or indirect parent of the Issuer that are foregone in return for the receipt of Equity Interests; *less*

(d) the amount of cash proceeds described in subclause (a), (b) or (c) of this Section 4.07(b)(5) previously used to make Restricted Payments pursuant to this Section 4.07(b)(5);

provided that the Issuer may elect to apply all or any portion of the aggregate increase contemplated by clauses (a), (b) and (c) of this Section 4.07(b)(5) in any calendar year;

(6) the repurchase of Equity Interests (or the declaration and payment of any dividends to, or the making of loans or advances to, any direct or indirect parent of the Issuer to finance such repurchase) (i) deemed to occur upon the exercise of stock options, warrants or other similar stock-based awards to the extent such Equity Interests represent a portion of the exercise price of those stock options, warrants or other similar stock-based awards or (ii) in connection with a gross-up for tax withholding related to such Equity Interests;

(7) the declaration and payment of dividends to holders of a class or series of Disqualified Stock of the Issuer or any Restricted Subsidiary or any preferred stock of any Restricted Subsidiary of the Issuer issued on or after the Issue Date in accordance with Section 4.09 hereof;

(12) Restricted Payments that are made with Excluded Contributions;

(13) the payment of dividends, other distributions and other amounts by the Issuer to, or the making of loans to, any direct or indirect parent of the Issuer, in the amount required for such parent to, if applicable, pay amounts equal to amounts required for any direct or indirect parent of the Issuer, if applicable, to pay interest and/or principal on Indebtedness the proceeds of which have been permanently contributed to the Issuer or any of its Restricted Subsidiaries and that has been guaranteed by, or is otherwise considered Indebtedness of, the Issuer or any of its Restricted Subsidiaries incurred in accordance with Section 4.09 hereof; *provided* that in no event shall the contribution of the proceeds of such Indebtedness to the Issuer or any of its Restricted Subsidiaries be applied to increase the capacity under Section 4.07(a).

(14) the payment, purchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness that is contractually subordinated in right of payment to the Notes, Disqualified Stock or preferred stock of the Issuer and its Restricted Subsidiaries pursuant to provisions similar to those described in Section 4.10 and Section 4.14 hereof; *provided* that, prior to such payment, purchase, redemption, defeasance or other acquisition or retirement for value, the Issuer (or a third party to the extent permitted by this Indenture) has, to the extent required by this Indenture, made a Change of Control Offer, Alternate Offer or Asset Sale Offer, as the case may be, with respect to the Notes as a result of such Change of Control or Asset Sale, as the case may be, and has repurchased all Notes validly tendered and not withdrawn in connection with such Change of Control Offer, Alternate Offer or Asset Sale Offer, as the case may be;

(15) the distribution, as a dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to the Issuer or a Restricted Subsidiary of the Issuer by, Unrestricted Subsidiaries;

(16) other Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this Section 4.07(b)(16) (and that, in the case of Restricted Investments, are outstanding as of the date of any Restricted Payment made pursuant to this clause (16)), not to exceed the greater of (x) \$180.0 million and (y) 50.0% of Consolidated EBITDA;

(17) the repayment of intercompany debt between or among the Issuer and any of its Restricted Subsidiaries;

(18) payments and distributions to dissenting stockholders pursuant to applicable law, pursuant to or in connection with a sale, consolidation, merger, amalgamation or transfer of all or substantially all of the assets of the Issuer and its Restricted Subsidiaries taken as a whole that complies with the terms of this Indenture, including Section 5.01 hereof;

(19) the declaration and payment of dividends or distributions to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date and the declaration and payment of dividends to any direct or indirect parent of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of any direct or indirect parent of the Issuer, issued after the Issue Date; *provided, however*, that (a) the Fixed Charge Coverage Ratio for the Issuer's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such Designated Preferred Stock is issued, after giving effect to such issuance (and the payment of dividends or distributions) on a Pro Forma Basis, would have been at least 2.00 to 1.00 and (b) the aggregate amount of dividends declared and paid pursuant to this Section 4.07(b)(20) does not exceed the net cash proceeds actually received by the Issuer from any such sale of Designated Preferred Stock (other than Disqualified Stock) issued after the Issue Date;

(20) any Restricted Payment so long as immediately after giving effect to the making of such Restricted Payment, the Issuer's Consolidated Total Debt Ratio would be no greater than 3.70 to 1.00 on a Pro Forma Basis;

(21) any payment that is intended to prevent any Indebtedness from being treated as an "applicable high yield discount obligation" within the meaning of Section 163(i)(1) of the Code; and

(22) Restricted Payments used to (a) redeem, repurchase or retire shares of Company Preferred Stock outstanding on the Issue Date, including dividends, paid-in-kind thereon, if, as and when required by the terms thereof in effect on the Issue Date and (b) fund the payment of dividends to holders of Company Preferred Stock, in an amount in any twelve-month period not to exceed (i) the sum of (x) the initial face amount of such Company Preferred Stock plus (y) the amount of accretion resulting from dividends paid-in-kind on such Company Preferred Stock, multiplied by (ii) 2.6%; provided that after giving effect to the making of any such Restricted Payment under sub-clause (b), the Issuer's Consolidated Senior Secured Debt Ratio would be no greater than 7.50 to 1.00 on a Pro Forma Basis.

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clauses (5), (16), (19), (20) and (22) of this Section 4.07(b), no Event of Default shall have occurred and be continuing or would occur as a consequence thereof.

(c) Other than as set forth under Section 1.04 hereof, the amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by the Issuer or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment or Investment meets the criteria of more than one of the categories of Restricted Payments described in clauses (1) through (22) of Section 4.07(b) hereof or clauses (1) through (25) of the definition of "Permitted Investment" or is entitled to be incurred pursuant to Section 4.07(a) hereof, the Issuer will be entitled to classify such Restricted Payment or Investment (or portion thereof) on the date of its payment or date of determination or later reclassify such Restricted Payment or Investment (or portion thereof) in any manner that complies with this Section 4.07 or the definition of "Permitted Investment" and/or one or more of the exceptions contained in the definition of "Permitted Investment" as of the date of such reclassification. If the Issuer or any of its Restricted Subsidiaries makes a Restricted Payment that, at the time of the making of such Restricted Payment, in the good faith determination of the Issuer, would be permitted under the requirements of this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustment made in good faith to the Issuer's financial statements affecting Consolidated Net Income or Consolidated EBITDA.

Section 4.08 *Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to:

- (1) pay dividends or make any other distributions on its Capital Stock to the Issuer or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

(3) agreements governing other Indebtedness, Disqualified Stock or preferred stock permitted to be incurred under the provisions of Section 4.09 hereof and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the restrictions therein either (i) are not materially more restrictive than those contained in agreements governing Indebtedness in effect on the Issue Date, or (ii) are not materially more disadvantageous to Holders of the Notes than is customary in comparable financings (as determined by the Issuer in good faith, which determination shall be conclusive) and in the case of subclause (ii) either (x) the Issuer determines (in good faith) that such encumbrance or restriction will not affect the Issuer's ability to make principal or interest payments on the Notes or (y) such encumbrances or restrictions apply only during the continuance of a default in respect of payment or a financial maintenance covenant relating to such Indebtedness;

(4) applicable law, rule, regulation, order, approval, license, permit or similar restriction;

(6) customary non-assignment or sub-letting provisions in contracts, leases, sub-leases and licenses entered into in the ordinary course of business;

(7) purchase money obligations, mortgage financings and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (3) of Section 4.08(a) hereof;

(9) Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(10) Secured Indebtedness otherwise permitted to be incurred pursuant to Section 4.09 hereof and Liens permitted to be incurred pursuant to the provisions of Section 4.12 hereof that limit the right of the debtor to dispose of the assets subject to such Liens;

(18) provisions with respect to the receipt of a rebate on an operating lease until all obligations due to a lessor on other operating leases are satisfied or other customary restrictions in respect of assets or contract rights acquired by a Restricted Subsidiary of the Issuer in connection with a Sale/Leaseback Transaction;

(19) encumbrances and restrictions contained in contracts entered into in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Issuer or any Restricted Subsidiary of the Issuer or the ability of the Issuer or such Restricted Subsidiary to realize such value, or to make any distributions relating to such property or assets in each case in any material respect; and

(20) any encumbrances or restrictions of the type referred to in Sections 4.08(a)(1), (2) and (3) hereof imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (19) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, not materially more restrictive as a whole with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this covenant, (i) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common shares shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Issuer or a Restricted Subsidiary of the Issuer to other Indebtedness incurred by the Issuer or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

(30) Indebtedness incurred to redeem, repurchase or retire shares of Company Preferred Stock outstanding on the Issue Date, including dividends paid-in-kind thereon, if, as and when required by the terms thereof in effect on the Issue Date.

(c) The Issuer will not incur, and will not permit any Subsidiary Guarantor to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Subsidiary Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Restricted Subsidiary solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

(d) For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness or any Disqualified Stock or preferred stock meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (30) above, or is entitled to be incurred or issued as Ratio Debt, the Issuer will be permitted to classify, divide or reclassify such item of Indebtedness or Disqualified Stock or preferred stock on the date of determination or its incurrence or issuance, or later reclassify all or a portion of such item of Indebtedness or Disqualified Stock or preferred stock, in any manner that complies with this Section 4.09; *provided* that Indebtedness under the Revolving Credit Facilities outstanding on the Issue Date will be deemed to have been incurred in reliance on the exception provided by clause (1) of the definition of "Permitted Debt" and may not be reclassified, with any repayments of revolving Indebtedness outstanding under the Revolving Credit Facilities being deemed to first reduce such Indebtedness outstanding as of the Issue Date. The accrual of interest or dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of preferred stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.09 or Section 4.12 hereof; *provided*, in each such case, that the amount thereof shall be included in Fixed Charges of the Issuer as accrued. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness or the issuance of Disqualified Stock or preferred stock, the U.S. dollar-equivalent principal amount of Indebtedness or the liquidation preference of Disqualified Stock or preferred stock denominated in a foreign currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed, in the case of revolving or delayed draw Indebtedness, or first issued, in the case of Disqualified Stock or preferred stock, or, in each case, at the option of the borrower or issuer of such Indebtedness, Disqualified Stock or preferred stock, the date on which the rate of interest and other pricing terms of such Indebtedness, Disqualified Stock or preferred stock are determined or the date of determination; *provided* that if such Indebtedness, Disqualified Stock or preferred stock is Indebtedness incurred or Disqualified Stock or preferred stock issued to Refinance other Indebtedness, Disqualified Stock or preferred stock denominated in a foreign currency (or in a different currency from such Indebtedness so being incurred or Disqualified Stock or preferred stock being issued), and such Refinancing would cause the applicable clauses of the definition of Permitted Debt (or categories of Permitted Liens) measured by a dollar amount or by reference to a percentage of Consolidated EBITDA to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such clauses of the definition of Permitted Debt (or categories of Permitted Liens) measured by a dollar amount or by reference to a percentage of Consolidated EBITDA shall be deemed not to have been exceeded so long as the principal amount of such Indebtedness or liquidation preference of such Disqualified Stock or preferred stock does not exceed (i) the outstanding or, in the case of revolving Indebtedness, committed, principal amount of such Indebtedness or the liquidation preference of such Disqualified Stock or preferred stock being Refinanced *plus* (ii) the aggregate amount of Additional Refinancing Amounts incurred or payable in connection with such Refinancing. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness, Disqualified Stock or preferred stock that the Issuer or any Restricted Subsidiary of the Issuer may incur or issue pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

(e) For purposes of calculating any ratio-based basket, with respect to any revolving Indebtedness, delayed draw facility or other committed debt financing incurred under such ratio-based basket, the Issuer may elect (which election may not be changed with respect to such Indebtedness), at any time, to either (x) give pro forma effect to the incurrence of the entire committed amount of such Indebtedness, in which case such committed amount may thereafter be borrowed or reborrowed, in whole or in part, from time to time, without further compliance with any ratio-based component of any provision of this Indenture, or (y) give pro forma effect to the incurrence of the actual amount drawn under such revolving Indebtedness, delayed draw facility or other committed debt financing, in which case, the ability to incur the amounts committed to under such Indebtedness will be subject to such ratio-based basket (to the extent being incurred pursuant to such ratio) at the time of each such incurrence. For purposes of determining compliance with, and the outstanding principal amount or liquidation preference, as applicable, of any particular Indebtedness incurred or Disqualified Stock or preferred stock issued pursuant to and in compliance with, this Section 4.09, if any commitments in respect of revolving or deferred draw Indebtedness are established in reliance on any clause of the definition of Permitted Debt measured by reference to a percentage of Consolidated EBITDA or a ratio-based basket, at the Issuer's option, on the date of the initial borrowing of such Indebtedness or entry into the definitive agreement providing the commitment to fund such Indebtedness after giving pro forma effect to the incurrence of the entire committed amount of such Indebtedness (such committed amount, a "*Grower Tested Committed Amount*") may thereafter be borrowed and reborrowed, in whole or in part, from time to time, irrespective of whether or not such incurrence would cause such percentage of Consolidated EBITDA to be exceeded or the applicable ratio to be unmet and such Grower Tested Committed Amount shall be deemed outstanding pursuant to such basket so long as such commitments are in effect. If any Indebtedness is incurred or any Disqualified Stock or preferred stock is issued to Refinance Indebtedness (or unutilized commitments in respect of Indebtedness) initially incurred (or established) or Disqualified Stock or preferred stock issued (or to Refinance Indebtedness incurred (or commitments established) or Disqualified Stock or preferred stock issued) to Refinance Indebtedness initially incurred (or commitments initially established) or Disqualified Stock or preferred stock initially issued in reliance on any clause or clauses of the definition of Permitted Debt measured by reference to a percentage of Consolidated EBITDA or a ratio-based basket at the time of incurrence or issuance, and such Refinancing would cause such percentage of Consolidated EBITDA to be exceeded or ratio to be unmet if calculated on the date of such Refinancing, such percentage of Consolidated EBITDA or ratio shall not be deemed to be exceeded or unmet (and such Indebtedness, Disqualified Stock or preferred stock shall be deemed permitted) so long as the principal amount or the liquidation preference of such Indebtedness, Disqualified Stock or preferred stock does not exceed an amount equal to the principal amount or liquidation preference of such Indebtedness, Disqualified Stock or preferred stock being Refinanced, *plus* Additional Refinancing Amounts in connection with such Refinancing.

(f) Notwithstanding anything in this Indenture to the contrary, unless the Issuer elects otherwise, if, on any date, the Issuer or any of its Restricted Subsidiaries in connection with any transaction or series of related transactions (A) incurs Indebtedness or issues Disqualified Stock or preferred stock as permitted by a ratio-based or ratio-referent clause or provision and (B) incurs Indebtedness or issues Disqualified Stock or preferred stock under a non-ratio-based or non-ratio-referent clause or provision, then the applicable ratio shall be calculated on such date with respect to any incurrence under the applicable ratio-based or ratio-referent clause or provision without giving effect to the incurrence under such non-ratio-based or non-ratio-referent clause or provision made in connection with such transaction or series of related transactions.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (A) the Fair Market Value of such assets at the date of determination; and
 - (B) the amount of the Indebtedness of the other Person.

Section 4.10 *Asset Sales*.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) the Issuer (or the Restricted Subsidiary, as the case may be) receives consideration (including by way of relief from, or by any other person assuming responsibility for, any liabilities, contingent or otherwise) at the time of the Asset Sale at least equal to the Fair Market Value of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the aggregate consideration received in the Asset Sale, together with all other Asset Sales since the Issue Date (on a cumulative basis) by the Issuer or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities (other than liabilities that are by their terms subordinated to the Notes or any Note Guarantee) of the Issuer or such Restricted Subsidiary (as shown on the Issuer's or such Restricted Subsidiary's most recent consolidated balance sheet (or in the notes thereto) for which internal financial statements are available immediately preceding such date or, if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Issuer's or such Restricted Subsidiary's balance sheet (or in the notes thereto) if such incurrence or accrual had taken place on or prior to the date of such balance sheet in the good faith determination of the Issuer) that are extinguished in connection with the transactions relating to such Asset Sale, or that are assumed by the transferee of any such assets, in each case pursuant to an agreement that releases the Issuer or such Restricted Subsidiary from or indemnifies against further liability;

(B) any securities, notes, other obligations or assets received by the Issuer or such Restricted Subsidiary from such transferee that are, within 180 days, converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents, to the extent of the cash or Cash Equivalents received in that conversion;

(C) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this Section 4.10(a)(2)(C) that is at that time outstanding, not to exceed the greater of (x) \$126.0 million and (y) 35.0% of Consolidated EBITDA;

(D) consideration consisting of Indebtedness of the Issuer or such Restricted Subsidiary that is not Subordinated Indebtedness received from such transferee; and

(E) accounts receivable of a business retained by the Issuer or such Restricted Subsidiary, as the case may be, following the sale of such business; *provided* that such accounts receivable (1) are not past due more than 90 days and (2) do not have a payment date greater than 120 days from the date of the invoices creating such accounts receivable;

(3) to the extent that any consideration received by the Issuer (or such Restricted Subsidiary, as the case may be) in such Asset Sale constitutes property or other assets that are of a type or class that constitutes Collateral, such property or other assets are added to the Collateral securing the Notes in the manner and to the extent required by this Indenture or any of the Security Documents; and

(4) the Issuer or such Restricted Subsidiary has complied with the applicable provisions of this Indenture and the Security Documents.

(b) Within 450 days after the receipt of any Net Proceeds from an Asset Sale, the Issuer (or the applicable Restricted Subsidiary, as the case may be) may apply an amount equal to such Net Proceeds at its option:

(1) if the assets or property disposed of in the Asset Sale were not Collateral, to repay any Indebtedness of a Restricted Subsidiary of the Issuer that is not a Guarantor (other than Indebtedness owed to the Issuer or another Restricted Subsidiary) and, if the Indebtedness being repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to repay (i) Parity Lien Indebtedness, including the Notes and, if the Indebtedness being repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto, or (ii) if the assets or property disposed of in the Asset Sale were not consisting of Collateral, Indebtedness and other Obligations of the Issuer or a Guarantor that rank *pari passu* with the Notes or such Guarantor's Note Guarantee, as applicable (other than Indebtedness owed to the Issuer or a Restricted Subsidiary of the Issuer); *provided* that if the Issuer (or the applicable Restricted Subsidiary) shall so reduce Indebtedness other than the Notes, the Issuer shall equally and ratably redeem or repurchase the Notes pursuant to Section 3.10 hereof, through open-market purchases or in privately negotiated transactions at market prices (which may be below par), or by making an offer (in accordance with the procedures in Section 4.10(c)) to all Holders to purchase the Notes at 100% of the principal amount thereof, *plus* accrued and unpaid interest, if any, on the Notes repurchased, to (but not including) the date of repayment;

(3) to acquire all or substantially all of the assets of, or any Capital Stock of, a Permitted Business; *provided* that (a) in the case of any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Issuer or additional Capital Stock of an existing non-Wholly Owned Restricted Subsidiary and (b) in the case of any such acquisition of assets, to the extent the assets are of the type that would constitute Collateral, such assets are thereupon added to the Collateral following their acquisition;

(4) to make a capital expenditure;

(5) to make an investment in any one or more businesses properties or assets or acquire assets, in each case that are used or useful in a Permitted Business; *provided* that (a) to the extent that such investment, properties or assets are of the type that would constitute Collateral, such investment, properties or assets are thereupon added to the Collateral following such investment or acquisition and (b) such investment is made in accordance with the provisions of this Indenture; or

(6) any combination of the foregoing.

The Issuer (or the applicable Restricted Subsidiary, as the case may be) will be deemed to have complied with the provisions set forth in clause (3), (4), (5) or (6) of this Section 4.10(b) if within 450 days after the Asset Sale that generated the Net Proceeds, the Issuer (or the applicable Restricted Subsidiary) has entered into and not abandoned or rejected a binding agreement to make an investment or payment in compliance with the provisions described in the immediately preceding paragraph, and that investment or payment is thereafter completed within 180 days after the end of such 450-day period

Pending the final application of any amounts in accordance with the foregoing, the Issuer or any Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest or utilize such Net Proceeds in any manner not prohibited by this Indenture and the Security Documents.

(c) Any amounts that are not applied or invested as provided in Section 4.10(b) (but excluding for the avoidance of doubt any such amounts not required to be applied or invested as a result of the fourth paragraph of this covenant) will constitute “*Excess Proceeds*”; *provided* that any amount offered to Holders in accordance with Section 4.10(b)(2) or pursuant to an Asset Sale Offer made at any time after the Asset Sale shall be deemed to have been applied as required and shall not be deemed to be Excess Proceeds without regard to the extent to which such offer is accepted by the Holders. When the aggregate amount of Excess Proceeds exceeds the greater of (x) \$108.0 million and (y) 30.0% of Consolidated EBITDA, within 30 days thereof, the Issuer shall make an Asset Sale Offer to all Holders of the Notes and, if required by the terms of any Parity Lien Indebtedness and, if the assets or property disposed of in the Asset Sale was not Collateral, Indebtedness of the Issuer or any Guarantor that ranks *pari passu* with the Notes and contains provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets, to purchase, prepay or redeem on a pro rata basis the maximum principal amount (or accreted value, if applicable) of Notes, Parity Lien Indebtedness and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of such Excess Proceeds. The offer price in any Asset Sale Offer, in the case of the Notes, in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, on the Notes repurchased to (but not including) the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the purchase date, and will be payable in cash. The Issuer may satisfy the foregoing obligations with respect to such Excess Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Excess Proceeds at any time prior to the expiration of the application period or by electing to make an Asset Sale Offer with respect to such Excess Proceeds.

If any Excess Proceeds remain after consummation of an Asset Sale Offer (any such amount, “*Retained Declined Proceeds*”), the Issuer may use those Retained Declined Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes, Parity Lien Indebtedness and other *pari passu* Indebtedness, as applicable, tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the Issuer will select the Notes, Parity Lien Indebtedness and such other *pari passu* Indebtedness to be purchased on a pro rata basis, based on the amounts tendered or required to be prepaid or redeemed and thereafter the Issuer will select the Notes to be purchased on a pro rata basis (subject to applicable DTC procedures with respect to the Global Notes) based on the principal amount tendered (with, in each case, such adjustments as may be deemed appropriate by the Issuer so that only Notes in minimum denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(d) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of this Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of this Indenture by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer involving aggregate payments or consideration in excess of the greater of (x) \$36.0 million and (y) 10.0% of Consolidated EBITDA (each, an “*Affiliate Transaction*”), unless:

(1) the Affiliate Transaction is on terms that are not materially less favorable, taken as a whole, to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person (as determined in good faith by the senior management or the Board of Directors of the Issuer or any direct or indirect parent of the Issuer); and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of the greater of (x) \$54.0 million and (y) 15.0% of Consolidated EBITDA, the terms of the Affiliate Transaction have been approved by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer or such Restricted Subsidiary, as applicable.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any reasonable or customary employment agreement, consulting agreement, severance agreement, employee benefit plan, compensation arrangement, officer or director indemnification agreement or any similar arrangement entered into by, or policy of, the Issuer or any of its Restricted Subsidiaries and payments pursuant thereto;

(2) (a) transactions between or among the Issuer and/or its Restricted Subsidiaries, (b) transactions effected as part of a Qualified Securitization Transaction and (c) any merger, amalgamation or consolidation of the Issuer and any direct or indirect parent of the Issuer; provided that such parent entity shall have no material liabilities and no material assets (other than cash, Cash Equivalents and the Capital Stock of the Issuer) and such merger, amalgamation or consolidation is otherwise in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Issuer) that is an Affiliate of the Issuer solely because the Issuer owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of fees and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of officers, directors, employees, independent contractors or consultants of the Issuer or any of its Restricted Subsidiaries or any direct or indirect parent of the Issuer;

(5) any sale, issuance or transfer of Equity Interests (other than Disqualified Stock) of the Issuer or any direct or indirect parent company of the Issuer to Affiliates of the Issuer and the granting of registration and other customary rights in connection therewith, and the performance by the Issuer or any of its Restricted Subsidiaries of its obligations with respect thereto;

(6) (a) Restricted Payments that do not violate Section 4.07 hereof and (b) Permitted Investments, in the case of clauses (a) and (b), including fees and expenses related thereto;

(7) the performance by the Issuer and its Restricted Subsidiaries or any direct or indirect parent of the Issuer of their respective obligations under, or payments in respect of, the Purchase Agreement, limited liability company, limited partnership or other constitutive document or security holders agreement or other agreements disclosed in the Offering Memorandum under "Certain Relationships and Related Party Transactions," each as in effect as of the Issue Date, and the payment of fees and expenses not in excess of the amounts specified in, or determined pursuant to, such agreements, as in effect as of the Issue Date; *provided, however*, that the existence of, or the performance by the Issuer and its Restricted Subsidiaries or any direct or indirect parent of the Issuer of their respective obligations under, any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such existing agreement together with all amendments thereto, taken as a whole, or new agreement are not otherwise more disadvantageous (as determined in good faith by the senior management or the Board of Directors of the Issuer or any direct or indirect parent of the Issuer) to the Holders of the Notes in any material respect than the original agreement as in effect as of the Issue Date;

(8) if such Affiliate Transaction is with a Person in its capacity as a holder of Indebtedness, Disqualified Stock, preferred stock or Capital Stock of the Issuer or any Restricted Subsidiary of the Issuer where such Person is treated no more favorably than the other holders of Indebtedness, Disqualified Stock, preferred stock or Capital Stock of the Issuer or any Restricted Subsidiary of the Issuer;

(9) transactions with an Affiliate where the only consideration paid is Qualifying Equity Interests of the Issuer;

(10) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, deliver to the Trustee a letter from an Independent Financial Advisor stating that such transaction (i) is fair to the Issuer or such Restricted Subsidiary from a financial point of view or (ii) meets the requirements of Section 4.11(a)(1) hereof;

(11) payments, loans, advances or guarantees (or cancellation of loans, advances or guarantees) to employees, officers, directors, consultants or independent contractors of the Issuer or any of its Restricted Subsidiaries or any direct or indirect parent of the Issuer in the ordinary course of business;

(12) any agreement as in effect as of the Issue Date or any amendment thereto (so long as any such agreement together with all amendments thereto, taken as a whole, is not more disadvantageous in any material respect (as determined in good faith by the senior management or the Board of Directors of the Issuer or any direct or indirect parent of the Issuer) to the Holders of the Notes in any material respect than the original agreement as in effect on the Issue Date) or any transaction contemplated thereby;

(13) transactions with joint ventures entered into in the ordinary course of business;

(14) any contributions to the common equity capital of the Issuer or any investments by a direct or indirect parent of the Issuer in Equity Interests (other than Disqualified Stock of the Issuer) of the Issuer (and payment of reasonable out-of-pocket expenses incurred by a direct or indirect parent of the Issuer in connection therewith);

(15) (x) guarantees of performance by the Issuer and its Restricted Subsidiaries of Unrestricted Subsidiaries in the ordinary course of business, except for guarantees of Indebtedness in respect of borrowed money, and (y) pledges of Equity Interests of Unrestricted Subsidiaries;

(16) any issuance of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Issuer or any direct or indirect parent of the Issuer, or of a Restricted Subsidiary of the Issuer, as appropriate, in good faith;

(17) the entry into any tax-sharing arrangements between the Issuer or any of its Restricted Subsidiaries and any of their direct or indirect parents; *provided, however*, that any payment made by the Issuer or any of its Restricted Subsidiaries under such tax-sharing arrangements is, at the time made, otherwise permitted by Section 4.07 hereof;

(18) transactions with Unrestricted Subsidiaries, customers, clients, lessors, landlords, suppliers, contractors, or purchasers or sellers of goods or services that are Affiliates, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to the Issuer and its Restricted Subsidiaries, or made in the reasonable determination of the Issuer;

(19) transactions between the Issuer or any of its Restricted Subsidiaries and any Person who is a director and who is also a director of the Issuer or any direct or indirect parent of the Issuer; *provided, however*, that such director abstains from voting as a director of the Issuer or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(20) [reserved];

(21) sales of accounts receivable or other transactions effected in connection with a Securitization Transaction;

(22) transactions pursuant to, and complying with Section 5.01(b) hereof; and

(23) the payment of any fees or expenses related to any Permitted Investment pursuant to clause (3) of the definition thereof, or to fund amounts owed to Affiliates in connection therewith (including dividends, payments or loans made to any direct or indirect parent of the Issuer to fund payment of any such fees or expenses).

Section 4.12 *Liens*.

(a) The Issuer will not, and will not permit any Subsidiary Guarantor, if any, to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind (other than Permitted Liens), securing Indebtedness of the Issuer or such Subsidiary Guarantor, if any, on any property or assets now owned or hereafter acquired or any interest therein or any income or profits therefrom.

(b) For purposes of determining compliance with this Section 4.12, (A) a Lien securing an item of Indebtedness need not be permitted solely by reference to one category of Permitted Liens described in definition of "Permitted Liens" or pursuant to Section 4.12(a) hereof but may be permitted in part under any combination thereof and (B) in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of Permitted Liens described in the definition of "Permitted Liens" or pursuant to Section 4.12(a) hereof, the Issuer shall, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such Lien securing each item of Indebtedness (or any portion thereof) in any manner that complies with Section 4.12 and will only be required to include the amount and type of such Lien or such item of Indebtedness secured by such Lien in one of the clauses of the definition of "Permitted Liens" and such Lien securing such item of Indebtedness will be treated as being incurred or existing pursuant to only one of such clauses or pursuant to Section 4.12(a) hereof.

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence thereof, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness.

Section 4.13 *Corporate Existence*.

Subject to Article 5 hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate or other existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Issuer and its Subsidiaries; *provided, however*, that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of the Issuer's Subsidiaries, if the Board of Directors of the Issuer shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole.

Section 4.14 *Offer to Repurchase Upon Change of Control.*

(a) Upon the occurrence of a Change of Control, each Holder of Notes will have the right to require the Issuer to repurchase all or any portion (equal to a minimum denomination of \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in this Indenture; *provided* that any unpurchased portion of a Note must be in a minimum denomination of \$2,000. In the Change of Control Offer, the Issuer will offer a payment (the "*Change of Control Payment*") in cash equal to 101% of the aggregate principal amount of Notes repurchased, *plus* accrued and unpaid interest, if any, on the Notes repurchased to (but not including) the date of purchase (the "*Change of Control Payment Date*"), subject to the rights of Holders of Notes on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the Change of Control Payment Date. Prior to or within 30 days following any Change of Control, except to the extent the Issuer has delivered notice to the Trustee of its intention to redeem Notes pursuant to Section 3.10 hereof, the Issuer will mail (or with respect to Global Notes to the extent permitted or required by applicable DTC procedures or regulations, send electronically) a notice to each Holder (a "*Change of Control Offer*"), with a copy to the Trustee, describing the transaction or transactions that constitute, or are expected to constitute, the Change of Control and stating:

(1) that the Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes tendered will be accepted for payment;

(2) the Change of Control Payment and the Change of Control Payment Date, which date shall be no earlier than 10 days and no later than 90 days (unless delivered in advance of the occurrence of such Change of Control) from the date such notice is mailed or sent, pursuant to the procedures required by this Indenture;

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date (whether or not a Business Day);

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book entry), which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

If such notice is delivered prior to the occurrence of a Change of Control, such notice shall state that the Change of Control Offer is conditioned upon the occurrence of such Change of Control and shall describe such condition, and, if applicable, shall state that, in the Issuer's sole discretion, the Change of Control Payment Date may be delayed until such time (including more than 90 days after the notice is mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied, or that such repurchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed. The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuer will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

The Paying Agent will promptly deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly, upon receipt of an Authentication Order, together with the documents required under Sections 13.02 and 13.03 hereof, authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Issuer will announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.14, the Issuer will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, (2) in connection with or in contemplation of any Change of Control, the Issuer (or any Affiliate of the Issuer) or a third party has made an offer to purchase at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer (an "Alternate Offer") any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of the Alternate Offer, or (3) notice of redemption pursuant to Section 3.10 hereof has been given to the Trustee, unless and until there is a default in payment of the applicable redemption price.

(d) Notwithstanding anything to the contrary contained herein, a Change of Control Offer or Alternate Offer may be made in advance of a Change of Control, and/or conditioned upon the consummation of such Change of Control.

(e) The Issuer's obligation to make a Change of Control Offer may be waived or modified or terminated with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes) prior to the occurrence of such Change of Control.

Section 4.15 *Permitted Activities of Holdings.*

Holdings shall not engage in any business other than its ownership of the Capital Stock of, and the management of, the Issuer and, indirectly, its Subsidiaries and activities incidental thereto; *provided* that Holdings may engage in those activities that are incidental to (i) the maintenance of its existence in compliance with applicable law, (ii) legal, tax and accounting matters in connection with any of the foregoing or following activities, (iii) the entering into, and performing its obligations under, this Indenture, the Intercreditor Agreement, any other intercreditor agreement (including any Junior Lien Intercreditor Agreement) or security document related to Secured Indebtedness permitted to be incurred by this Indenture, the Revolving Credit Facilities, the Security Documents, the Purchase Agreement and the other definitive documentation entered into in connection with any of the foregoing, (iv) the issuance, sale or repurchase of its Equity Interests and the receipt of capital contributions, (v) the making of dividends or distributions on its Equity Interests, (vi) the filing of registration statements, and compliance with applicable reporting and other obligations, under federal, state or other securities laws, (vii) the listing of its equity securities and compliance with applicable reporting and other obligations in connection therewith, (viii) any other public company activities that are customary, or that are substantially consistent with past practice of the Company, including performance under the Founder Advisory Agreement, as may be in effect from time to time, (ix) the retention of (and the entry into, and exercise of rights and performance of obligations in respect of, contracts and agreements with) transfer agents, private placement agents, underwriters, counsel, accountants and other advisors and consultants, (x) the performance of obligations under and compliance with its certificate of incorporation and by-laws, or any applicable law, ordinance, regulation, rule, order, judgment, decree or permit, including, without limitation, as a result of or in connection with the activities of its Subsidiaries, (xi) the incurrence and payment of its operating and business expenses and any Taxes for which it may be liable (including reimbursement to Affiliates for such expenses paid on its behalf), (xii) the making of loans to or other Investments in, or incurrence of Indebtedness from, the Issuer or in the case of incurrence of Indebtedness, from any Wholly-Owned Subsidiary which is a Subsidiary Guarantor) as and to the extent not prohibited by this Indenture and (xiii) any other activity expressly contemplated by this Indenture to be engaged in by Holdings, including, without limitation, (a) repurchases of Indebtedness of the Issuer and entry into and performance of Guarantees of Indebtedness as permitted under the Revolving Credit Facilities, and, subject to any applicable limitations set forth herein, other permitted Indebtedness of the Issuer and its Restricted Subsidiaries and (b) any transaction complying with the covenant described in Section 5.01(c).

Section 4.16 *Future Guarantees.*

If, after the Issue Date, (a) any Subsidiary of the Issuer (including any newly formed, newly acquired or newly redesignated Restricted Subsidiary, but excluding any Securitization Entity and any Excluded Subsidiary) that is not then a Subsidiary Guarantor guarantees or incurs any Indebtedness under the Revolving Credit Facilities or guarantees any other capital markets debt Indebtedness of the Issuer or another Subsidiary Guarantor that is in excess of \$50.0 million or (b) the Issuer otherwise elects to have any Restricted Subsidiary become a Subsidiary Guarantor, then, in each such case, the Issuer shall cause such Restricted Subsidiary to execute and deliver to the Trustee a supplemental indenture to this Indenture pursuant to which such Restricted Subsidiary shall become a Subsidiary Guarantor under this Indenture providing for a Note Guarantee by such Restricted Subsidiary on the same terms and conditions as those set forth in this Indenture and applicable to the other Subsidiary Guarantors; *provided that*, in the case of clause (a), such supplemental indenture shall be executed and delivered to the Trustee within 20 Business Days of the date that such Indebtedness under the Revolving Credit Facilities has been guaranteed or incurred by such Restricted Subsidiary.

Each Person that becomes a Guarantor after the Issue Date shall also become a party to the applicable Security Documents and shall as promptly as practicable execute and deliver such security instruments, financing statements, mortgages, deeds of trust and other related real estate deliverables (in substantially the same form as those executed and delivered with respect to the Collateral on the Issue Date or on the date first delivered in the case of Collateral delivered after the Issue Date (to the extent, and substantially in the form, delivered on the Issue Date or the date first delivered, as applicable (but no greater scope)) as may be necessary to vest in the Notes Collateral Agent a perfected first-priority security interest (subject to Permitted Liens) in properties and assets that constitute Collateral, as security for such Guarantor's Note Guarantee and as may be necessary to have such property or assets added to the Collateral as required under the Security Documents and this Indenture, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such properties and assets to the same extent and with the same force and effect.

Each Note Guarantee shall be released upon the terms and in accordance with the provisions of Article 10 hereof.

Section 4.17 *Designation of Restricted Subsidiaries and Unrestricted Subsidiaries.*

After the Issue Date, the Issuer may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If such Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments in such Restricted Subsidiary by the Issuer and its Restricted Subsidiaries will be deemed to be an Investment made as of the time of determination or the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of "Permitted Investments," as determined by the Issuer. That designation will only be permitted if the Investment would be permitted at that time and if such Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Any designation of a Restricted Subsidiary of the Issuer as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof or under one of more clauses of the definition of "Permitted Investments." If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date pursuant to Section 4.09 hereof, the Issuer will be in default of Section 4.09 hereof. The Issuer may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted by Section 4.09 hereof, calculated on a Pro Forma Basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation. Any designation of an Unrestricted Subsidiary as a Restricted Subsidiary shall be evidenced to the Trustee by an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.09 hereof.

Section 4.18 *[Reserved]*.

Section 4.19 *Changes in Covenants When Notes Are Rated Investment Grade.*

If on any date following the Issue Date:

(1) the Notes have Investment Grade Ratings from both of the Ratings Agencies; and

(2) no Default or Event of Default (other than any Default or Event of Default under any covenant that would otherwise become a Suspended Covenant) shall have occurred and be continuing,

then, beginning on that day and continuing at all times thereafter and subject to the provisions of the second succeeding paragraph, (i) the Note Guarantees will be automatically and unconditionally released and discharged (to the extent that guarantees by the Guarantors of all other Parity Lien Indebtedness are substantially concurrently released, and the Liens on the Collateral securing such Parity Lien Indebtedness are also substantially concurrently released) and (ii) Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.15, 4.16, 4.17 and 5.01(4) hereof (collectively, the "*Suspended Covenants*") will be suspended.

During any period that the Suspended Covenants have been suspended, the Issuer may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to Section 4.17 hereof unless the Issuer would have been able, under the terms of this Indenture, to designate such Subsidiaries as Unrestricted Subsidiaries if the Suspended Covenants were not suspended. Notwithstanding that the Suspended Covenants may be reinstated, the failure to comply with the Suspended Covenants during the Suspension Period (including any action taken or omitted to be taken with respect thereto and including any actions taken at any time pursuant to any contractual obligations arising during the Suspension Period) will not give rise to a Default or Event of Default under this Indenture.

Notwithstanding the foregoing, if the Notes no longer have an Investment Grade Rating from both of the Ratings Agencies, the Suspended Covenants will be reinstituted as of and from the date of such rating decline (any such date, a "*Reversion Date*"). The period of time between the suspension of covenants as set forth above and the Reversion Date is referred to as the "*Suspension Period*." All Indebtedness incurred (including Acquired Debt) and Disqualified Stock or preferred stock issued during the Suspension Period will be deemed to have been incurred or issued in reliance on the exception provided by clause (2) of the definition of "Permitted Debt." Calculations under the reinstated Section 4.07 will be made as if Section 4.07 had been in effect prior to, but not during, the period that Section 4.07 was suspended as set forth above. For purposes of determining compliance with Section 4.10 hereof, the Excess Proceeds from all Asset Sales not applied in accordance with Section 4.10 hereof, will be deemed to be reset to zero after the Reversion Date. In addition, for purposes of Section 4.11 hereof, all agreements and arrangements entered into by the Issuer and any Restricted Subsidiary with an Affiliate of the Issuer during the Suspension Period prior to such Reversion Date will be deemed to have been entered pursuant to Section 4.11(b)(12), and for purposes of Section 4.08 hereof, all contracts entered into during the Suspension Period prior to such Reversion Date that contain any of the restrictions contemplated by such covenant will be deemed to have been entered pursuant to Section 4.08(b)(1) hereof.

During the Suspension Period, any reference in the definition of “Unrestricted Subsidiary” to Section 4.09 hereof or any provision thereof shall be construed as if such Section 4.09 had remained in effect since the Issue Date and during the Suspension Period.

Upon the Reversion Date, the obligation to grant Note Guarantees and Collateral pursuant to Section 4.16 hereof will be reinstated (and the Reversion Date will be deemed to be the date on which any guaranteed Indebtedness was incurred for purposes of Section 4.16 hereof).

Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any failure to comply with the Suspended Covenants during any Suspension Period and the Issuer and its Restricted Subsidiaries will be permitted, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations following a Reversion Date and to consummate the transactions contemplated thereby; *provided* that such contractual commitments or obligations were entered into during the Suspension Period and not in contemplation of a reversion of the Suspended Covenants; *provided, further*; that, to the extent any such commitment or obligation results in the making of a Restricted Payment, such Restricted Payment shall be made under Section 4.07(a)(z) or Section 4.07(b) hereof and, if not permitted by any of such provisions, such Restricted Payment shall be deemed permitted under Section 4.07(a)(z) hereof and shall be deducted for purposes of calculating the amount pursuant to this Section 4.07(a)(z) (which may not be less than zero).

The Issuer shall provide an Officer’s Certificate to the Trustee indicating the occurrence of any Suspension Period or Reversion Date. The Trustee shall have no obligation to monitor the ratings of the Notes, independently determine or verify if such events have occurred or notify the Holders of Notes of any Suspension Period or Reversion Date. The Trustee may provide a copy of such Officer’s Certificate to any Holder of Notes upon written request.

Section 4.20 *[Reserved]*.

Section 4.21 *[Reserved]*.

Section 4.22 *Further Assurances*.

The Issuer and the Guarantors shall execute and file any and all further documents, financing statements (including continuation statements and amendments to financing statements), agreements and instruments, and take all further actions that may be required under applicable law, or that the Notes Collateral Agent or the Trustee may reasonably request, in order to grant, preserve, protect and perfect the validity and priority of the security interests and Liens created or intended to be created by the Security Documents in the Collateral, subject to the exceptions set forth in this Indenture and the Security Documents. In addition, to the extent required under this Indenture or any of the Security Documents, from time to time, the Issuer and the Guarantors will reasonably promptly secure the obligations under this Indenture and Security Documents by pledging or creating, or causing to be pledged or created, perfected security interests and Liens with respect to the Collateral to the extent required by this Indenture and/or the Security Documents. Notwithstanding the foregoing, so long as the Revolving Credit Facilities (including any refinancing or replacement thereof constituting Parity Lien Obligations) remain outstanding, such actions will only be required to the extent the comparable action is required under the Revolving Credit Facilities.

The Issuer and each Guarantor will, at its sole cost and expense, execute and deliver all such agreements and instruments as necessary, or as the Trustee or the Notes Collateral Agent reasonably requests, to more fully or accurately describe the assets and property intended to be Collateral or the Obligations intended to be secured by the Security Documents.

(a) is caused by a failure to pay principal of, or premium, if any, on any such Indebtedness at final Stated Maturity (after giving effect to any applicable grace periods) (a "Payment Default"); or

(b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates at least the greater of (x) \$108.0 million and (y) 30.0% of Consolidated EBITDA;

(10) any Security Document covering a material portion of the Collateral for any reason (other than pursuant to the terms thereof) ceases to create a valid and perfected first-priority Lien, on, and security interest in, any material Collateral covered thereby with respect to the Notes, subject to Permitted Liens, except to the extent that any such perfection or priority is not required pursuant to this Indenture and the Security Documents or results from the failure of the Notes Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under the Security Documents.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (6) or (7) of Section 6.01 hereof, with respect to either the Issuer, any Restricted Subsidiary of the Issuer that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Issuer that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes by notice to the Issuer (with a copy to the Trustee if given by Holders of Notes) may declare all the Notes to be due and payable immediately; *provided* that a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders and the Trustee, more than two years prior to such notice of Default.

Any notice of Default, notice of acceleration or instruction to the Trustee or Notes Collateral Agent, as applicable, to provide a notice of Default, notice of acceleration or take any other action (a “*Noteholder Direction*”) provided by any one or more holders (other than a Regulated Bank, an Initial Purchaser or its Affiliates) (each a “*Directing Holder*”) must be accompanied by a written representation from each such holder delivered to the Issuer and the Trustee and Notes Collateral Agent, as applicable, that such holder is not (or, in the case such holder is DTC or its nominee, that such holder is being instructed solely by beneficial owners that have represented to such Holder that they are not) Net Short (a “*Position Representation*”), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of Default shall be deemed a continuing representation at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder is deemed, at the time of providing a Noteholder Direction, to covenant to provide the Issuer with such other information as the Issuer may reasonably request from time to time in order to verify the accuracy of such holder’s Position Representation within five Business Days of request therefor (a “*Verification Covenant*”). In any case in which the holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee and DTC shall be entitled to conclusively rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee or Notes Collateral Agent, as applicable.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuer determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officer’s Certificate stating that the Issuer has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Default, Event of Default or acceleration (or notice thereof) that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Default or Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter if, without the participation of such holder, the percentage of Notes held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuer provides to the Trustee an Officer’s Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Default or Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such holder’s participation in such Noteholder Direction being disregarded; and, if, without the participation of such holder, the percentage of Notes held by the remaining holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void ab initio (other than any indemnity such Directing Holder may have offered the Trustee and Notes Collateral Agent, as applicable), with the effect that such Default or Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee and Notes Collateral Agent, if applicable, shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default. Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee or Notes Collateral Agent, as applicable, during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with the foregoing paragraphs. In addition, for the avoidance of doubt, the foregoing paragraphs shall not apply to any holder that is a Regulated Bank, an Initial Purchaser or its Affiliates; provided that if a Regulated Bank, an Initial Purchaser or its Affiliates is a Directing Holder or a beneficial owner directing DTC it shall provide a written representation to the Issuer that it is a Regulated Bank an Initial Purchaser or its Affiliates.

For the avoidance of doubt, each of the Trustee and Notes Collateral Agent shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with this Indenture and shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. Neither the Trustee nor the Notes Collateral Agent shall have any liability to the Issuer, any Holder or any other Person in connection with any Noteholder Direction or to determine whether or not any Holder has delivered a Position Representation or that such Position Representation conforms with this Indenture or any other agreement. Neither the Trustee nor the Notes Collateral Agent shall have any responsibility, liability or obligation to ascertain, monitor or inquire as to whether any Person is a Net Short Holder and/or whether such Net Short Holder has delivered any related certifications under this Indenture or in connection with the Notes or if any such certifications comply with this Indenture, the Notes, or any other document. It is understood and agreed that the Issuer, the Trustee and the Notes Collateral Agent shall be entitled to rely on each representation, deemed representation and certification made by, and covenant of, each beneficial owner provided for in this paragraph and the foregoing two paragraphs. Notwithstanding any other provision of this Indenture, the Notes or any other document, the provisions of this paragraph shall apply and survive with respect to each beneficial owner notwithstanding that any such Person may have ceased to be a beneficial owner, this Indenture may have been terminated or the Notes may have been redeemed in full.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders of all the Notes, rescind an acceleration and its consequences under this Indenture, if the rescission would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (except nonpayment of principal, premium, if any, or interest on the Notes that became due solely because of the acceleration of the Notes) and if all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel have been paid.

In the event of a declaration of acceleration of the Notes because an Event of Default has occurred and is continuing as a result of the acceleration of any Indebtedness described in Section 6.01(4) hereof (excluding any resulting Payment Default under this Indenture or the Notes), the declaration of acceleration of the Notes shall be automatically annulled if such Indebtedness is paid or otherwise acquired or retired or the Holders of all Indebtedness described in Section 6.01(4) hereof have rescinded or waived the declaration of acceleration in respect of such Indebtedness within 30 Business Days of the date of such declaration of acceleration of the Notes, and if the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction, and all existing Events of Default, except non-payment of principal or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived and all amounts owing to the Trustee have been paid.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest on, the Notes; *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related Payment Default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

If a Default is deemed to occur solely as a consequence of the existence of another Default (the “*Initial Default*”), then, at the time such Initial Default is cured, the Default that resulted solely because of that Initial Default will also be cured without any further action.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability (it being understood that the Trustee does not have an affirmative duty to determine whether any such action is prejudicial to any Holder).

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal or interest, if any, when due, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes (subject to the Intercreditor Agreement) unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default has occurred and is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer and, if requested, provide to the Trustee or the Notes Collateral Agent security and/or indemnity satisfactory to the Trustee or the Notes Collateral Agent, as applicable, against any loss, liability or expense;
- (4) the Trustee does not comply with such request within 60 days after receipt of the notice, request and the offer of security and/or indemnity; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, or interest on, the Note, on or after the respective due dates expressed or provided for in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer or any Guarantor for the whole amount of principal of and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been determined or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings or any other proceedings, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies hereunder of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.10 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and Notes Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, Notes Collateral Agent and their agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer or any Guarantor (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee and Notes Collateral Agent any amount due to each of them for the reasonable compensation, expenses, disbursements and advances of the Trustee, Notes Collateral Agent, their agents and counsel, and any other amounts due the Trustee and Notes Collateral Agent hereunder. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee or the Notes Collateral Agent hereunder out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.11 *Priorities.*

If the Trustee collects any money pursuant to this Article 6 or, after an Event of Default, any money or other property distributable in respect of the Issuer's obligations under this Indenture, it shall pay out the money or distribute the property in the following order:

First: to the Trustee (including any predecessor trustee), Notes Collateral Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and Notes Collateral Agent and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee, upon written notice to the Issuer, may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.11.

Section 6.12 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7 TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing and is actually known to the Responsible Officer of the Trustee, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of gross negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (however the Trustee shall have no obligation to verify the mathematical calculations contained therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, as determined by a final and non-appealable order of a court of competent jurisdiction, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (e) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee or Notes Collateral Agent to expend or risk its own funds or incur any liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity and/or security against such risk or liability is not reasonably assured to it.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. The Trustee shall have no obligation to invest funds received by it pursuant to this Indenture.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any document (whether in its original, facsimile or electronic form) believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both, except that (x) no Officer's Certificate or Opinion of Counsel will be required to be furnished to the Trustee in connection with the authentication and delivery of the Initial Notes on the Issue Date and (y) no Opinion of Counsel will be required to be furnished to the Trustee in connection with the execution of any amendment or supplement in the form of Exhibit D solely adding a new Guarantor under this Indenture or evidencing the release of a Guarantor pursuant to Section 10.07 hereof. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an Officer of the Issuer.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered, and if requested, provided to the Trustee indemnity and/or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be required to give any note, bond or surety in respect of the trusts and powers under this Indenture.

(h) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in such certificate previously delivered and not superseded.

(i) Delivery of reports, information and documents to the Trustee described in Section 4.03 hereof is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Guarantors' compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officer's Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provision of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein.

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Trustee shall not be deemed to have notice of any Default or Event of Default unless written notice of any event which is in fact such a Default or Event of Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture and states that it is a "Notice of Default".

(l) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, by the Notes Collateral Agent and each agent, custodian and other Person employed to act hereunder.

(m) Neither the Trustee nor the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or the Private Placement Legend or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants, members or Beneficial Owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(n) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document.

(o) The permissive right of the Trustee to take actions that are permitted, but not required, by this Indenture or the other Note Documents shall not be construed as an obligation or duty to do so.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest as defined in the TIA it must eliminate such conflict within 90 days or resign. Any Agent and the Notes Collateral Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.10 hereof.

Section 7.04 Trustee's Disclaimer.

Neither the Trustee nor the Notes Collateral Agent shall be responsible for, and neither the Trustee nor the Notes Collateral Agent makes any representation as to the validity or adequacy of this Indenture or the Notes, nor shall either be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture. The Trustee shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. Neither the Trustee nor the Notes Collateral Agent shall be responsible for making any calculation with respect to any matter under this Indenture. Neither the Trustee nor Notes Collateral Agent shall have any duty to monitor or investigate the Issuer's compliance with or the breach of, or cause to be performed or observed, any representation, warranty, or covenant, or agreement of any Person, other than the Trustee or Notes Collateral Agent, as the case may be, made in this Indenture.

Neither the Trustee nor the Notes Collateral Agent shall be responsible for, and make no representation as to the existence, genuineness, value or protection of, any Collateral, for the legality, effectiveness or sufficiency of any Security Document or for the creation, perfection, priority, sufficiency or protection of any Liens securing the Notes. Neither the Trustee nor the Notes Collateral Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise creating, perfecting or maintaining the perfection of any Lien or security interest in the Collateral.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail (or with respect to Global Notes, to the extent permitted or required by applicable DTC procedures or regulations, send electronically) to Holders of Notes a notice of the Default or Event of Default within 90 days after the Trustee obtains knowledge thereof. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 [Reserved].

Section 7.07 Compensation and Indemnity.

(a) The Issuer will pay to the Trustee (acting in any capacity hereunder, including as Notes Collateral Agent) from time to time compensation as is agreed to from time to time by the Issuer and the Trustee for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuer will reimburse the Trustee promptly upon request for all reasonable out-of-pocket disbursements, advances and expenses incurred or made by it in addition to the compensation for its services except for any such disbursements, advance or expense as shall have been caused by the Trustee's gross negligence or willful misconduct as determined by a final and non-appealable order of a court of competent jurisdiction. Such expenses will include the reasonable out-of-pocket compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuer and the Guarantors will indemnify on a joint and several basis the Trustee (acting in capacity hereunder, including as Notes Collateral Agent) (including its officers, directors, employees and agents) against any and all losses, liabilities or expenses, including fees and expenses of counsel, including Taxes (other than Taxes based upon, measured by or determined by the income of the Trustee), incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the reasonable costs and expenses of enforcing this Indenture and the Note Documents against the Issuer and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct as determined by a final and non-appealable order of a court of competent jurisdiction. The Trustee will notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer will not relieve the Issuer or any of the Guarantors of their obligations hereunder. The Issuer or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuer will pay the reasonable fees and out-of-pocket expenses of such counsel. Neither the Issuer nor any Guarantor needs to pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuer and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and the termination for any reason of this Indenture.

(d) To secure the Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and the termination for any reason of this Indenture.

(e) Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses or renders services after an Event of Default specified in clauses (6) and (7) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under the Bankruptcy Code.

(f) "Trustee" for purposes of this Section shall include the Notes Collateral Agent and any predecessor Trustee; provided, however, that the gross negligence or willful misconduct of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign at any time upon 30 days' prior written notice to the Issuer and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer with 30 days' prior written notice. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under the Bankruptcy Code;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail (or with respect to Global Notes, to the extent permitted or required by applicable DTC procedures or regulations, send electronically) a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's and the Guarantors' obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee, and the retiring Trustee shall have no liability or responsibility for any act or failure to act on the part of any successor Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition.

ARTICLE 8 LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may at any time elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes (including the Note Guarantees), and the Liens with respect to the Notes released, upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and each of the Guarantors, if any, will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees), and the Liens with respect to the Notes released, on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors, if any, will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees) and the Liens with respect to the Notes released, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute such instruments reasonably requested by the Issuer acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, and interest, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Issuer's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee and the Notes Collateral Agent hereunder, and the Issuer's and the Guarantors', if any, obligations in connection therewith (including, without limitation, those contained in Article 7 hereof); and

(4) this Article 8.

Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof. Notwithstanding anything to the contrary contained herein, the Issuer's and the Guarantors' obligations under Section 7.07 shall survive a Legal Defeasance.

Section 8.03 Covenant Defeasance.

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.15, 4.16, 4.17, and 4.22 hereof and clauses (3) and (4) of Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), the Note Guarantees will be released pursuant to Section 10.07 hereof and the Notes and Note Guarantees will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes and the Note Guarantees will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Issuer and the Guarantors, if any, may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (to the extent relating to the covenants that are subject to Covenant Defeasance), (4), (5), (8), (9) and (10) hereof will not constitute Events of Default. Notwithstanding anything to the contrary contained herein, the Issuer's and the Guarantors' obligations under Section 7.07 shall survive a Covenant Defeasance.

Section 8.04 Conditions to Legal or Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, (x) cash in U.S. dollars in an amount, (y) non-callable Government Securities, the scheduled payments of principal of and interest thereon will be in an amount, or (z) a combination thereof in amounts, as will be sufficient, without consideration of any reinvestment of interest, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, premium on, if any, and interest, if any, on, the outstanding Notes to the stated date for payment thereof or to the applicable redemption date, as the case may be, and all interest, if any, accrued to such dates, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) the Issuer must deliver to the Trustee, (a) in the case of Legal Defeasance, an Opinion of Counsel to the effect that (i) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm, that the Beneficial Owners of outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and (b) in the case of Covenant Defeasance, an Opinion of Counsel to the effect that the Beneficial Owners of outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(3) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(4) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Issuer or any of the Guarantors is a party or by which the Issuer or any of the Guarantors is bound;

(5) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders of Notes over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(6) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to the Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium on, if any, or interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest, if any, has become due and payable shall be paid to the Issuer on its request, unless an abandoned property law designates another person, or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in *The New York Times* and *The Wall Street Journal* (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 hereof, without the consent of any Holder of Notes, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent, as applicable, may amend or supplement this Indenture, the Security Documents (including the Intercreditor Agreement and any Junior Lien Intercreditor Agreement), the Notes or the Note Guarantees:

- (1) to cure any ambiguity, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes, provided that such Notes are in registered form for purposes of Section 163(f) of the Code;
- (3) to provide for the assumption of the Issuer's or any Guarantor's obligations to Holders of Notes and Note Guarantees in the case of a merger, consolidation, amalgamation or Division or sale, assignment, transfer, conveyance, lease or other disposition of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;
- (4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under this Indenture of any Holder in any material respect;
- (5) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the TIA, if applicable;

(6) to conform the text of this Indenture, the Notes, the Note Guarantees, the Security Documents or the Intercreditor Agreement to any provision of the “Description of the Notes” section of the Offering Memorandum;

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture;

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes, in each case, in accordance with the terms of this Indenture;

(9) to add or release Note Guarantees in accordance with the terms of this Indenture and to make, complete or confirm any grant of Collateral permitted or required by this Indenture or any of the Security Documents or the Intercreditor Agreement, or any release of Collateral pursuant to the terms of this Indenture or any of the Security Documents or the Intercreditor Agreement;

(10) to secure additional extensions of credit and add additional secured creditors holding other Parity Lien Indebtedness or any Junior Lien Indebtedness so long as such Parity Lien Indebtedness or Junior Lien Indebtedness, as the case may be, is not prohibited by the provisions of this Indenture or any other then-existing Parity Lien Indebtedness or Junior Lien Indebtedness; or

(11) to add additional assets as Collateral.

In addition, the Holders of the Notes shall be deemed to have consented for purposes of the Security Documents to any of the following amendments and other modifications to the Security Documents:

(a) to add other parties (or any authorized agent thereof or trustee therefor) holding Parity Lien Obligations or Junior Lien Obligations that are incurred in compliance with the Revolving Credit Facilities, this Indenture and the Security Documents (including the Intercreditor Agreement and any Junior Lien Intercreditor Agreement) and (b) to establish that the Liens on any Collateral securing such Parity Lien Obligations or Junior Lien Obligations be pari passu with or junior to, as applicable, the Parity Liens securing the Notes, all on the terms provided for in the Intercreditor Agreement and/or Junior Lien Intercreditor Agreement, as applicable, as in effect immediately prior to such amendment or other modification.

Upon the request of the Issuer, and upon receipt by the Trustee and Notes Collateral Agent, if applicable, of the documents described in Section 7.02, 9.06, 13.02 and 13.03 hereof, the Trustee and Notes Collateral Agent, if applicable, will join with the Issuer and the Guarantors, if any, in the execution of any amended or supplemental indenture and amendment or supplement to the Security Documents or Intercreditor Agreement authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee or Notes Collateral Agent, if applicable, will not be obligated to enter into such amended or supplemental indenture or amendment or supplement to the Security Documents or the Intercreditor Agreement that affects its own rights, duties or immunities under this Indenture or otherwise.

For avoidance of doubt, no amendment, waiver, modification or deletion of Sections 3.01-3.06 or Section 3.10 or any of the provisions of Article 4 (other than the first sentence of Section 4.01) shall be deemed to impair or affect any rights of holders of the Notes to institute suit for the enforcement of any payment on or with respect to, or to receive payment of principal of, or premium, if any, or interest on, the Notes.

Section 9.02 *With Consent of Holder of Notes.*

Except as provided below in this Section 9.02, the Issuer, the Guarantors, the Trustee and the Notes Collateral Agent may amend or supplement this Indenture (including, without limitation, Sections 3.13, 4.10 and 4.14 hereof), the Notes, the Note Guarantees, the Security Documents (including the Intercreditor Agreement and any Junior Lien Intercreditor Agreement) may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes other than the Notes beneficially owned by the Issuer or its Affiliates (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a Payment Default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Note Guarantees, the Security Documents or the Intercreditor Agreement, may be waived with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes other than the Notes beneficially owned by the Issuer or its Affiliates (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Sections 2.08 and 2.09 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02; *provided* that (x) if any such amendment or waiver will only affect one series of Notes (or less than all series of Notes) then outstanding under this Indenture, then only the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other series of Notes, then the consent of the Holders of a majority in principal amount of the Notes of such series then outstanding (including, in each case, consents obtained in connection with a tender offer or exchange offer for Notes) shall be required.

Upon the request of the Issuer, and upon the filing with the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, 9.06, 13.02 and 13.03 hereof, the Trustee and Notes Collateral Agent, if applicable, will join with the Issuer and the Guarantors in the execution of such amended or supplemental indenture and amendment or supplement to the Security Documents unless such amended or supplemental indenture or amendment or supplement to the Security Documents affects the Trustee's and Notes Collateral Agent's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee and the Notes Collateral Agent may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture and amendment or supplement to the Security Documents.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer will mail (or with respect to Global Notes, to the extent permitted or required by applicable DTC procedures or regulations, send electronically) to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to deliver such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuer or Guarantors with any provision of this Indenture, the Notes or any Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the Stated Maturity of any Note or alter or waive any of the provisions relating to the dates on which the Notes may be redeemed or the redemption price thereof with respect to the redemption of the Notes (other than any change to the notice periods with respect to such redemption);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the Payment Default that resulted from such acceleration);

(5) make any Note payable in anything other than U.S. dollars;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest, if any, on, the Notes;

(7) subject to the final paragraph in Section 3.13, modify the obligation of the Issuer to repurchase Notes pursuant to Section 3.13, 4.10 or 4.14 hereof, after the date of an event giving rise to such repurchase obligation;

(8) release any Guarantor that is a Significant Subsidiary from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(9) make any change in the preceding amendment and waiver provisions; or

(10) make any change to, or modify, the ranking of the Notes in respect of right of payment that would adversely affect the Holders of the Notes.

In addition, without the consent of the Holders of at least 66 $\frac{2}{3}$ % in aggregate principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), no amendment, supplement or waiver may have the effect of releasing all or substantially all of the Collateral from the Liens created pursuant to the Security Documents (except as permitted by the terms of this Indenture, the Security Documents or the Intercreditor Agreement) or changing or altering the priority of the security interests of the Holders of the Notes in the Collateral under the Intercreditor Agreement or any Junior Lien Intercreditor Agreement.

Section 9.03 *[Reserved]*.

Section 9.04 *Revocation and Effect of Consents*.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date on which the Trustee receives an Officer's Certificate certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes*.

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee and Notes Collateral Agent, if applicable, will sign any amended or supplemental indenture and amendment or supplement to the Security Documents or the Intercreditor Agreement authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee or Notes Collateral Agent, as the case may be. The Issuer may not sign an amended or supplemental indenture until the Board of Directors of the Issuer approves it. In executing any amended or supplemental indenture, the Trustee and Notes Collateral Agent, if applicable, will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Sections 13.02 and 13.03 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture and amendment or supplement to the Security Documents or the Intercreditor Agreement is authorized or permitted by this Indenture and, in the case of an Opinion of Counsel, that such supplemental indenture constitutes the legally valid and binding obligation of the Issuer and the Guarantors, subject to customary exceptions. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement in the form of Exhibit D solely adding a new Guarantor under this Indenture or releasing a Guarantee by a Guarantor pursuant to Section 10.07.

ARTICLE 10
NOTE GUARANTEES

Section 10.01 *Guarantee.*

(a) From and after the Issue Date, the Company shall cause Holdings and any Restricted Subsidiary of the Issuer who will provide a Guarantee to execute and deliver a supplemental indenture to this Indenture substantially in the form of Exhibit D pursuant to which they shall become a Guarantor. Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably, fully and unconditionally guarantees on a senior secured second-priority basis to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and Notes Collateral Agent and each of their successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, to pay fully and promptly, unconditionally, irrevocably, upon first demand and without raising any defenses or objections, set-off or counterclaim and without verification of the legal ground:

(1) any amount in respect of the principal of, premium on, if any, and interest on, the Notes and interest on the overdue principal of, premium on, if any, and interest on, the Notes, if lawful, and any amount in respect of all other obligations of the Issuer to the Holders or the Trustee or the Notes Collateral Agent hereunder or thereunder, all in accordance with the terms hereof and thereof (including, without limitation, interest, fees and expenses accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuer or any Guarantor whether or not a claim for post-filing or post-petition interest, fees and expenses is allowed in such proceeding and the obligations under Section 7.07 hereof); and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same in accordance with the terms of the extension or renewal.

Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective and separate of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives (to the fullest extent permitted by law) diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder, the Trustee or the Notes Collateral Agent is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either to the Trustee, the Notes Collateral Agent or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders, the Trustee and the Notes Collateral Agent, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal, state law, or the laws of the jurisdiction of organization of such Guarantor to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 [Reserved].

Section 10.04 [Reserved].

Section 10.05 Execution and Delivery of Note Guarantee.

To evidence its Note Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that this Indenture or a supplemental indenture substantially in the form attached as Exhibit D hereto will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Issuer or any of its Restricted Subsidiaries creates or acquires any Restricted Subsidiary after the Issue Date, if required by Section 4.16 hereof, the Issuer will cause such Restricted Subsidiary to comply with the provisions of Section 4.16 hereof and this Article 10, to the extent applicable.

Neither the Issuer nor any Guarantor shall be required to make a notation on the Notes to reflect a Note Guarantee or any release, termination or discharge thereof.

Section 10.06 Guarantors May Consolidate, etc., on Certain Terms.

Except as otherwise provided in Article 5 or Section 10.07 hereof, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Issuer or another Guarantor, unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(2) either:

(a) subject to Section 10.07 hereof, the Person (if other than the Guarantor) acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) unconditionally assumes all the obligations of that Guarantor under its Note Guarantee and this Indenture, on the terms set forth therein or herein, pursuant to a supplemental indenture; or

(b) the Net Proceeds of such sale or other disposition are applied, if required, in accordance with the applicable provisions of this Indenture, including without limitation, Section 4.10 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee (it being understood that such supplemental indenture need not be executed by any other Person besides the Issuer and any such successor Person), of the Note Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor.

Section 10.07 Releases.

(a) A Note Guarantee of a Subsidiary Guarantor shall be automatically and unconditionally released and discharged (with notice to the Trustee and the Notes Collateral Agent; *provided* that failure to provide such notice will not affect the validity of such release) without the consent of Holders of Notes and each Subsidiary Guarantor and its obligations under the Notes Guarantee will be released and discharged upon:

(1) the sale, exchange, disposition or other transfer (including through merger, consolidation, amalgamation, Division or dissolution) of (x) the Capital Stock of such Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Restricted Subsidiary of the Issuer, if after such transaction the Guarantor is no longer a Restricted Subsidiary, or (y) all or substantially all the assets of such Subsidiary Guarantor if such sale, exchange, disposition or other transfer (including through merger, consolidation, amalgamation, Division or dissolution) is made in compliance with this Indenture;

(2) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions of Section 4.07 hereof and the definition of “Unrestricted Subsidiary;”

(3) in the case of any Restricted Subsidiary that after the Issue Date is required to guarantee the Notes pursuant to Section 4.16 hereof, the release or discharge of the Guarantee by such Subsidiary Guarantor of Indebtedness of the Issuer or any Restricted Subsidiary or the repayment of the Indebtedness or Disqualified Stock, in each case, that resulted in the obligation to guarantee the Notes, except by reason of payment under or the termination or repayment of the Revolving Credit Facilities or if a release or discharge is by or as a result of payment in connection with the enforcement of remedies under such other Guarantee;

(4) the Issuer’s exercise of its Legal Defeasance option or Covenant Defeasance option pursuant to Article 8 hereof, or if the Issuer’s Obligations under this Indenture are discharged (including pursuant to a satisfaction and discharge of this Indenture or through redemption or repurchase of all of the Notes or otherwise) in accordance with the terms of this Indenture;

(5) the release or discharge of the Guarantee by, or direct obligation of, such Subsidiary Guarantor of the Obligations under the Revolving Credit Facilities, except by reason of payment under or the termination or repayment of the Revolving Credit Facilities or if such release or discharge is by or as a result of payment in connection with the enforcement of remedies under such Guarantee or direct obligation;

(6) such Subsidiary Guarantor becoming an Excluded Subsidiary;

(7) [reserved];

(8) the Note Guarantees are unconditionally released and discharged pursuant to Section 4.19 hereof; and/or

(9) such Guarantor is released pursuant to clause (8) of Section 9.02;

(b) A Note Guarantee of Holdings shall be automatically and unconditionally released and discharged without the consent of Holders of Notes and the obligations of Holdings under the Notes Guarantee will be released and discharged upon:

(1) the Issuer’s exercise of its Legal Defeasance option or Covenant Defeasance option pursuant to Article 8 hereof, or if the Issuer’s Obligations under this Indenture are discharged (including pursuant to a satisfaction and discharge of this Indenture or through redemption or repurchase of all of the Notes or otherwise) in accordance with the terms of this Indenture;

(2) the release or discharge of the Guarantee by, or direct obligation of, the Guarantors of the Obligations under the Revolving Credit Facilities, except by reason of payment under or the termination or repayment of the Revolving Credit Facilities or a discharge or a release is by or as a result of payment in connection with the enforcement of remedies under such Guarantee or direct obligation; and/or

(3) as and to the extent provided pursuant to the second paragraph of Section 5.01(c).

In connection with any release under clause 10.07(a)(1) above, upon delivery by the Issuer to the Trustee of an Officer's Certificate to the effect that all conditions precedent provided for in this Indenture to such release have been complied with, the Trustee will execute any documents reasonably requested by the Issuer in order to evidence the release of any Guarantor from its obligations under its Note Guarantee. The Net Proceeds of such sale or other disposition shall be applied, if required, in accordance with the applicable provisions of this Indenture.

To the extent the Issuer requests evidence of release of a Guarantor under Section 10.07(a)(2) through 10.07(a)(9), 10.07(b)(1), 10.07(b)(2) or 10.07(b)(3), the Issuer shall deliver an Officer's Certificate with respect to such release.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.07 will remain liable for the full amount of principal of, premium on, if any, and interest on, the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 10.

ARTICLE 11 SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

This Indenture, the Security Documents, the Intercreditor Agreement and any Junior Lien Intercreditor Agreement will be discharged and will cease to be of further effect as to all Notes issued hereunder (except for certain rights of the Trustee and the Notes Collateral Agent, which shall survive), and any Liens on Collateral then securing the Notes shall be automatically released, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, have been cancelled or delivered to the Trustee for cancellation; or

(b) all such Notes not previously delivered to the Trustee for cancellation have become due and payable, will become due and payable at their Stated Maturity within one year or have been called for redemption or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of a notice of redemption in the name and at the expense of the Issuer and the Issuer or any Restricted Subsidiary has deposited or caused to be deposited with the Trustee in a manner that is not revocable, (i) cash in U.S. dollars in an amount, (ii) non-callable Government Securities, the scheduled payments of principal of and interest thereon will be in an amount, or (iii) a combination thereof in an amount, as will be sufficient (in the case that Government Securities have been deposited, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants certified in writing to the Trustee), without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on such Notes for principal of, premium on, if any, and interest, if any, on, the Notes to the date of maturity or redemption;

(2) any Issuer or any Restricted Subsidiary has paid or caused to be paid all sums then due and payable by the Issuer and Guarantors under this Indenture and the Notes; and

(3) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes to maturity or to the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Issuer has made any payment of principal of, premium on, if any, or interest on, any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 11.01 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 11 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or non-callable Government Securities held by it as provided in Section 11.01 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a discharge in accordance with this Article 11.

ARTICLE 12
SECURITY

Section 12.01 *Security Documents; Additional Collateral.*

(a) Security Documents. On the Issue Date, in order to secure the due and punctual payment of the Obligations under this Indenture, the Notes and the Security Documents, the Issuer, the Guarantors, the Notes Collateral Agent and the other parties thereto, or other parties in accordance with the provisions of Section 4.16, Section 4.22 and this Article 12, will enter into the applicable Security Documents. The Issuer and the Guarantors shall make all filings (including filings of continuation statements and amendments to UCC financing statements that may be necessary to continue the effectiveness of such UCC financing statements) as are required by the Security Documents to maintain (at the sole cost and expense of the Issuer and the Guarantors) the security interests created by the Security Documents in the Collateral (subject to the terms of the Intercreditor Agreement and the Security Documents) as a perfected security interest to the extent perfection is required by the Security Documents and within the time frames set forth therein, subject only to Permitted Liens, and with the priority required by the Intercreditor Agreement, and the other Security Documents. With respect to any Collateral existing as of the Issue Date, to the extent any security interest in favor of the Notes Collateral Agent has not been created or perfected as of the Issue Date, the Issuer and the Guarantors will use their respective commercially reasonable efforts to do or cause to be done all acts and things that would be required to have all security interests in such Collateral duly created and enforceable and perfected, to the extent required by this Indenture or the Security Documents, within 180 days (or such later date as the Revolver Collateral Agent may have agreed under the Revolving Credit Facilities). However, it will not be a default or an Event of Default if the Issuer and the Guarantors are unable to duly create or perfect such security interests after using commercially reasonable efforts.

(b) After-Acquired Collateral. Upon the acquisition by any of the Issuer or the Guarantors after the Issue Date of any assets (other than Excluded Assets), subject to certain exceptions provided in the Security Documents, the Issuer or such Guarantor shall execute and deliver any information, documentation, financing statements or other certificates as may be necessary to vest in the Notes Collateral Agent a perfected security interest, with the priority required by this Indenture and the Security Documents, subject only to Permitted Liens and certain other exceptions set forth in the Security Agreement, in such after-acquired property and to have such after-acquired property added to the Collateral, and thereupon all provisions of this Indenture and the Security Documents relating to the Collateral shall be deemed to relate to such after-acquired property to the same extent and with the same force and effect; *provided* that so long as the Revolving Credit Facilities (including any refinancing or replacement thereof constituting Parity Lien Obligations) remain outstanding, such actions will only be required to the extent the comparable action is required under the Revolving Credit Facilities.

Section 12.02 Concerning the Notes Collateral Agent.

(a) The provisions of this Section 12.02 are solely for the benefit of the Notes Collateral Agent and none of Holdings, the Issuer, any of the other Guarantors nor any of the Holders shall have any rights as a third party beneficiary of any of the provisions contained herein. Notwithstanding any provision to the contrary contained elsewhere in this Indenture and the Security Documents, the Notes Collateral Agent shall have only those duties or responsibilities expressly provided hereunder or thereunder and the Notes Collateral Agent shall not have nor be deemed to have any fiduciary relationship with the Trustee, Holdings, the Issuer, any other Guarantor or any Holder, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture and the Security Documents or otherwise exist against the Notes Collateral Agent.

(b) The Notes Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee with respect to the Security Documents and the Collateral. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreement or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable. After the occurrence of an Event of Default, subject to the provisions of the Security Documents, the Trustee may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture or the Security Documents.

(c) None of the Notes Collateral Agent or any of its respective Affiliates shall be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or the transactions contemplated thereby (except for its own gross negligence or willful misconduct).

(d) Other than in connection with a release of Collateral permitted under Section 12.03 (except as may be required by Section 9.02), in each case that the Notes Collateral Agent may or is required hereunder or under any other Security Document to take any action (an "*Action*"), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any other Security Document, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. Subject to the Security Documents, if the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(e) Beyond the exercise of reasonable care in the custody of the collateral in its possession, the Notes Collateral Agent will have no duty as to any collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto. The Notes Collateral Agent will be deemed to have exercised reasonable care in the custody of the collateral in its possession if the collateral is accorded treatment substantially equal to that which it accords its own property, and the Notes Collateral Agent will not be liable or responsible for any loss or diminution in the value of any of the collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Notes Collateral Agent in good faith.

(f) The Notes Collateral Agent will not be responsible for the existence, genuineness or value of any of the collateral or for the validity, perfection, priority or enforceability of the Liens in any of the collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, for the validity or sufficiency of the collateral or any agreement or assignment contained therein, for the validity of the title of any grantor to the collateral, for insuring the collateral or for the payment of taxes, charges, assessments or liens upon the collateral or otherwise as to the maintenance of the collateral. The Notes Collateral Agent hereby disclaims any representation or warranty to the present and future Holders of Notes concerning the perfection of the liens granted hereunder or in the value of any of the collateral.

(g) In the event that the Notes Collateral Agent is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent's sole discretion may cause the Notes Collateral Agent, as applicable, to be considered an "owner or operator" under any environmental laws or otherwise cause the Notes Collateral Agent to incur, or be exposed to, any environmental liability or any liability under any other federal, state or local law, the Notes Collateral Agent reserves the right, instead of taking such action, either to resign as Notes Collateral Agent or to arrange for the transfer of the title or control of the asset to a court appointed receiver. The Notes Collateral Agent will not be liable to any person for any environmental claims or any environmental liabilities or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent's actions and conduct as authorized, empowered and directed hereunder or relating to any kind of discharge or release or threatened discharge or release of any hazardous materials into the environment.

(h) The Notes Collateral Agent shall be entitled to all of the protections, immunities, indemnities, rights and privileges of the Trustee set forth in this Indenture and all such protections, immunities, indemnities, rights and privileges shall apply to the Notes Collateral Agent in its roles under any other Security Document or Intercreditor Agreement, whether or not expressly stated therein.

(i) The Notes Collateral Agent shall be entitled to compensation, reimbursement and indemnity as set forth in Section 7.07.

(j) Neither the Trustee nor the Notes Collateral Agent shall have any duty to file any financing statements, amendments thereto, continuation statements or any other document, agreement or instrument to create, perfect or maintain the perfection of the Notes Collateral Agent's security interest in the Collateral.

(k) The Notes Collateral Agent may resign or be removed and a successor collateral agent be appointed, all in accordance with the provisions of Section 7.08 and 7.09 hereof, as if references to Trustee therein were references to the Notes Collateral Agent.

(l) If the Issuer or any Guarantor (i) incurs any obligations in respect of Parity Lien Obligations at any time when the Intercreditor Agreement is not in effect or at any time when Parity Lien Obligations entitled to the benefit of the Intercreditor Agreement are concurrently retired, and (ii) delivers to the Notes Collateral Agent an Officer's Certificate so stating and requesting the Notes Collateral Agent to enter into the Intercreditor Agreement in favor of a designated agent or representative for the holders of the Parity Lien Obligations so incurred, or if the Issuer so directs the Notes Collateral Agent, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into the Intercreditor Agreement (at the sole expense and cost of the Issuer, including legal fees and expenses of the Trustee and the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

Section 12.03 *Releases of Collateral.*

The Liens securing the Notes and the Guarantees will, upon compliance with the conditions precedent to the release of the Collateral together with such documentation, if any, as may be required by this Indenture, automatically and without the need for any further action by any Person be released so long as such release is otherwise in compliance with this Indenture, under any one or more of the following circumstances:

(a) in part, as to any property or assets constituting Collateral, to enable the Issuer or Guarantors to consummate the disposition of such property or assets (to a Person that is not the Issuer or a Guarantor) to the extent permitted under Section 4.10 hereof;

(b) in whole, as to all property subject to such Liens, upon:

(1) payment in full of the principal of, together with accrued and unpaid interest and premium, if any, on, the Notes and all other Obligations under this Indenture, the Note Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest and premium, if any, are paid;

(2) satisfaction and discharge of this Indenture in accordance with Article 11 hereof; or

(3) Legal Defeasance or Covenant Defeasance in accordance with Article 8 hereof;

(c) if such property becomes Excluded Assets;

(d) as to the property and assets of a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Notes Guarantee in accordance with this Indenture;

(e) in part, as to any property or assets constituting Collateral, in accordance with the applicable provisions of the applicable Intercreditor Agreement; and

(f) as to any property or assets, upon the consent of the requisite Holders pursuant to Section 9.02 of this Indenture.

Notwithstanding anything to the contrary herein, the Issuer and the Guarantors will not be required to comply with all or any portion of Section 314(d) of the Trust Indenture Act. If the Issuer requests a formal release, the Issuer shall deliver to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture and the Security Documents relating to the execution and delivery of each such release have been complied with.

Section 12.04 *Form and Sufficiency of Release.*

In the event that the Issuer or any Guarantor has sold, exchanged, or otherwise disposed of or proposes to sell, exchange or otherwise dispose of any portion of the Collateral that, under the terms of this Indenture may be sold, exchanged or otherwise disposed of by the Issuer or any Guarantor, and the Issuer or such Guarantor requests the Notes Collateral Agent to furnish a written disclaimer, release or quitclaim of any interest in such property under this Indenture, the applicable Note Guarantee and the Security Documents, upon receipt of an Officer's Certificate from the Issuer and Opinion of Counsel certifying that all conditions precedent to such release have been met, the Notes Collateral Agent shall, at the sole cost and expense of the Issuer, execute, acknowledge and deliver to the Issuer or such Guarantor such an instrument in the form provided by the Issuer (to the extent acceptable to the Notes Collateral Agent, acting reasonably), and providing for release without recourse, representation or warranty, promptly after satisfaction of the conditions set forth herein for delivery of such release and shall, at the sole cost and expense of the Issuer take such other action as the Issuer or such Guarantor may reasonably request to effect such release. Notwithstanding the preceding sentence, all purchasers and grantees of any property or rights purporting to be released shall be entitled to rely upon any release executed by the Notes Collateral Agent hereunder as sufficient for the purpose of this Indenture and as constituting a good and valid release of the property therein described from the Lien of this Indenture and the Security Documents.

Section 12.05 Possession and Use of Collateral.

Subject to and in accordance with the provisions of this Indenture and the Security Documents, so long as the Trustee (or the Notes Collateral Agent) has not exercised rights or remedies with respect to the Collateral in connection with an Event of Default that has occurred and is continuing, the Issuer and the Guarantors shall have the right to remain in possession and retain exclusive control of and to exercise all rights with respect to the Collateral (other than monies or Cash Equivalents deposited pursuant to Article 8, and other than as set forth in the Security Documents and this Indenture), to operate, manage, develop, lease, use, consume, alter or repair and enjoy the Collateral (other than monies and Cash Equivalents deposited pursuant to Article 8 and other than as set forth in the Security Documents and this Indenture), and to collect, receive, use, invest and dispose of the reversions, remainders, interest, rents, lease payments, issues, profits, revenues, proceeds and other income thereof.

Section 12.06 Specified Releases of Collateral; Satisfaction and Discharge; Defeasance.

The Issuer and the Guarantors shall be entitled to obtain a full release of all of the Collateral from the Liens of this Indenture and of the Security Documents securing the Notes upon payment in full of all principal, premium, if any, interest on the Notes and of all Obligations under the Notes, this Indenture and the Security Documents for the payment of money due and owing to the Trustee, the Notes Collateral Agent or the Holders, or upon compliance with the conditions precedent set forth in Article 8 for Legal Defeasance or Covenant Defeasance or Article 11 for Satisfaction and Discharge. Upon delivery by the Issuer to the Trustee and the Notes Collateral Agent of an Officer's Certificate and an Opinion of Counsel, each to the effect that such conditions precedent have been complied with (and which may be the same Officer's Certificate and Opinion of Counsel required by Article 8 or Article 11, as applicable) prior to the release of such Collateral, the Trustee shall forthwith take all action reasonably requested (at the expense of the Issuer) to release from the Liens securing the Notes and reconvey to the Issuer and the applicable Guarantors without recourse, representation or warranty all of the Collateral, and shall deliver such Collateral in its possession to the Issuer and the applicable Guarantors including, without limitation, the execution and delivery of releases and satisfactions wherever required.

Section 12.07 [Reserved].

Section 12.08 Purchaser Protected.

No purchaser or grantee of any property or rights purporting to be released shall be bound to ascertain the authority of the Trustee or the Notes Collateral Agent to execute the release or to inquire as to the existence of any conditions herein prescribed for the exercise of such authority.

Section 12.09 Authorization of Actions to be Taken by the Notes Collateral Agent Under the Security Documents.

The Issuer, the Guarantors and each Holder of Notes, by their acceptance of any Notes and the Note Guarantees, (a) hereby appoints U.S. Bank Trust Company, National Association, as Notes Collateral Agent, and U.S. Bank Trust Company, National Association accepts such appointment and (b) agrees that the Notes Collateral Agent shall be entitled to the rights, privileges, protections, immunities, indemnities and benefits provided to the Trustee under Article 7 hereof, including the compensation, reimbursement, and indemnification provisions set forth in Section 7.07 hereof and the resignation and removal provisions of Section 7.08 hereof (with the references to the Trustee therein being deemed to refer to the Notes Collateral Agent). Furthermore, each Holder of a Note, by accepting such Note, consents to and approves the terms of and authorizes and directs the Notes Collateral Agent to (i) enter into and perform the duties provided for in the Intercreditor Agreement and each other Security Document in each of its capacities thereunder and (ii) bind the Holders to the terms of the Intercreditor Agreement.

Section 12.10 *Authorization of Receipt of Funds by the Trustee and the Notes Collateral Agent Under the Security Documents.*

The Trustee and the Notes Collateral Agent are authorized to receive any funds for the benefit of Holders distributed under the Security Documents to the Trustee or the Notes Collateral Agent, to apply such funds as provided in this Indenture and to make further distributions of such funds in accordance with the applicable provisions of Section 6.11 hereof.

Section 12.11 *Powers Exercisable by Receiver or Notes Collateral Agent.*

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 12 upon the Issuer or any Guarantor, as applicable, with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or any Guarantor, as applicable, or of any officer or officers thereof required by the provisions of this Article 12.

provided that an issuer of an Opinion of Counsel may rely as to matters of fact on an Officer's Certificate or a certificate of a public official.

Section 13.04 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 13.05 *No Personal Liability of Directors, Officers, Employees and Equity Holders, including Members.*

No manager, managing director, director, officer, employee, incorporator or equity holder, including members, of the Issuer, any Subsidiary or any direct or indirect parent of the Issuer, as such, will have any liability for any obligations of the Issuer or the Guarantors under the Notes, this Indenture, the Note Guarantees, the Security Documents, the Intercreditor Agreement, any Junior Lien Intercreditor Agreement or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 13.06 *Governing Law.*

THE LAWS OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES.

Section 13.07 *Consent to Jurisdiction and Service*

In relation to any legal action or proceedings arising out of or in connection with this Indenture, the Notes and the Note Guarantees, the Trustee (in the case of clauses (1) and (2) below only), the Issuer (solely in the event the Issuer is reorganized under laws other than the laws of the United States or a state thereof) and each Guarantor that is organized under laws other than the laws of the United States or a state thereof will in this Indenture (1) irrevocably submit to the jurisdiction of the federal and state courts in the Borough of Manhattan in the City, County and State of New York, United States, (2) consent that any such action or proceeding may be brought in such courts and waive any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agree not to plead or claim the same, (3) designate and appoint CT Corporation System, 28 Liberty Street, New York, NY 10005, as its authorized agent upon which process may be served in any such action or proceeding that may be instituted in any such court and (4) agree that service of any process, summons, notice or document by U.S. registered mail addressed to such agent for service of process, with written notice of said service to such Person at the address of the agent for service of process set forth in this Indenture, shall be effective service of process for any such action or proceeding brought in any such court.

Section 13.08 *[Reserved]*

Section 13.09 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Issuer or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 13.10 *Successors.*

All agreements of the Issuer in this Indenture and the Notes will bind its successors. All agreements of the Trustee or Notes Collateral Agent in this Indenture will bind its respective successors. In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 13.12 *Counterpart Originals; Electronic Notices.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. Delivery of an executed counterpart of a signature page to this Indenture by facsimile, email or other electronic means shall be effective as delivery of a manually executed counterpart of this Indenture. This Indenture may be in the form of an Electronic Record (as defined below) and may be executed using Electronic Signatures (as defined below) (including, without limitation, facsimile and .pdf) and shall be considered an original, and shall have the same legal effect, validity and enforceability as a paper record. “*Electronic Record*” and “*Electronic Signature*” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time. Neither the Trustee nor the Notes Collateral Agent shall have any duty to confirm that the person sending any notice, instruction or other communication (a “*Notice*”) by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) is, in fact, a person authorized to do so. Electronic signatures believed by the Trustee and/or the Notes Collateral Agent, as applicable, to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider acceptable to the Trustee and/or Notes Collateral Agent, as applicable) shall be deemed original signatures for all purposes. Each other party assumes all risks arising out of the use of electronic signatures and electronic methods to send Notices to the Trustee and Notes Collateral Agent, including without limitation the risk of the Trustee and/or the Notes Collateral Agent, as applicable, acting on an unauthorized Notice, and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Trustee and Notes Collateral Agent may in any instance and in their sole discretion require that an original document bearing a manual signature be delivered to the Trustee and/or Notes Collateral Agent, as applicable, in lieu of, or in addition to, any such electronic Notice.

Section 13.13 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 13.14 *Force Majeure*.

In no event shall the Trustee or Notes Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, act or provision of any present or future law or regulation or governmental authority, strikes, work stoppages, accidents, acts of war or terrorism, epidemic, pandemic, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee and Notes Collateral Agent shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 13.15 *Waiver of Jury Trial*.

THE ISSUER, THE GUARANTORS (IF ANY) AND THE TRUSTEE, AND EACH HOLDER OF A NOTE BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES, THE NOTE GUARANTEES OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 13.16 *No Qualification Under the Trust Indenture Act*.

For a non-individual person such as a business entity, a charity, a trust or other legal entity, the Trustee and Notes Collateral Agent will ask for documentation to verify its formation and existence as a legal entity. The Trustee and Notes Collateral Agent may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

If a payment date is not a Business Day, payment shall be made on the next succeeding day that is a Business Day, and no interest shall accrue on such payment for the intervening period. If a regular record date is not a Business Day, the record date shall not be affected.

6.250% Senior Secured Note due 2034

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. PERIMETER HOLDINGS, LLC, a Delaware limited liability company (the “*Issuer*”), or its respective successors, promises to pay or cause to be paid interest on the principal amount of this Note at the rate of 6.250% per annum from January 2, 2022 until maturity. The Issuer will pay interest semi-annually in arrears on January 15 and July 15 of each year commencing July 15, 2026 (each, an “*Interest Payment Date*”), or if any such day is not a Business Day, on the next succeeding Business Day to the Holders of record as of the close of business on the immediately preceding January 1 and July 1 (whether or not a Business Day). Interest on the Notes will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the date of original issuance of the Notes.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuer will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on January 1 and January 15 (whether or not a Business Day) immediately preceding the Interest Payment Date, even if such Notes are cancelled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest (and defaulted interest, if any), if any, at the office or agency of the Paying Agent and Registrar within the contiguous United States, or, at the option of the Issuer, payment of interest, if any, due on an Interest Payment Date may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium, if any, on, and interest, if any, on, all Global Notes and, with respect to interest due on an Interest Payment Date, all other Notes the Holders of which will have provided wire transfer instructions to the Paying Agent at least fifteen (15) Business Days prior to the Interest Payment Date. Such payments will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, U.S. Bank Trust Company, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE*. The Issuer issued the Notes under an Indenture dated as of January 2, 2026 (the “*Indenture*”) among the Issuer, the Trustee and the Notes Collateral Agent. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are secured obligations of the Issuer. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *SPECIAL MANDATORY REDEMPTION*. Upon the occurrence of an Acquisition Triggering Event, the Issuer will, either directly or through the Trustee at the Company’s expense, direction and on the Company’s behalf, within five business days following such Acquisition Triggering Event, notify the holders of the Notes by mail (or electronic delivery) of such event and that the Notes will be redeemed no later than 30 days after the Acquisition Triggering Event (such date, the “*Special Mandatory Redemption Date*”), in accordance with the applicable provisions of the Indenture. On the Special Mandatory Redemption Date, we will deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for all of the outstanding Notes and direct the Trustee to redeem the Notes on the Special Mandatory Redemption Date. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date and the Trustee shall cause the redemption of the outstanding Notes and the payment of the Special Mandatory Redemption Price.

(6) *OPTIONAL REDEMPTION.*

(a) At any time prior to January 15, 2029, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes (calculated after giving effect to the issuance of any Additional Notes) issued under the Indenture at a redemption price equal to 106.250% of the principal amount of Notes redeemed, *plus* accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the date of redemption (subject to the right of Holders of Notes on a relevant record date to receive interest on an Interest Payment Date occurring on or prior to the redemption date), with the cash proceeds of any Equity Offering; *provided that*:

(1) at least 50% of the aggregate principal amount of Notes (calculated after giving effect to the issuance of any Additional Notes) issued under the Indenture remains outstanding immediately after the occurrence of each such redemption (except to the extent otherwise repurchased or redeemed in accordance with the terms of the Indenture); and

(2) the redemption occurs within 180 days of the date of the closing of such Equity Offering.

(b) At any time prior to January 15, 2029, the Issuer may on any one or more occasions redeem all or a portion of the Notes at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of the date of the redemption notice, and accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the date of redemption, subject to the rights of Holders of Notes on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date.

(c) At any time, in connection with any offer to purchase the Notes (including pursuant to a Change of Control Offer, Alternate Offer or Asset Sale Offer), if Holders of at least 90% in aggregate principal amount of the Notes outstanding tender such Notes in such offer, the Issuer or such other Person, upon notice given not more than 60 days following such purchase pursuant to such offer, may redeem all of the remaining Notes of such series at a price in cash equal to the price offered to each Holder in such prior offer, *plus*, to the extent not included in the prior offer payment, accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the date of redemption, subject to the rights of Holders of Notes on a relevant record date to receive interest due on an Interest Payment Date occurring on or prior to the redemption date. In determining whether the Holders of at least 90% in aggregate principal amount of the outstanding Notes have validly tendered and not validly withdrawn Notes in an offer, Notes owned by an Affiliate of the Issuer or by funds controlled or managed by an Affiliate of the Issuer, or any successor thereof, shall be deemed to be outstanding for the purposes of such offer.

(d) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Issuer's option prior to January 15, 2029.

(f) On or after January 15, 2029, the Issuer may on any one or more occasions redeem all or a portion of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to (but not including) the applicable date of redemption, if redeemed during the 12-month period beginning on January 15 of the years indicated below, subject to the rights of Holders of Notes on a relevant record date to receive interest on an Interest Payment Date occurring on or prior to the redemption date:

Year	Percentage
2029	103.125%
2030	101.563%
2031 and thereafter	100.000%

(g) In connection with any redemption of Notes (including with net cash proceeds of an Equity Offering), any such redemption may, at the Issuer's discretion, be performed by another Person and/or be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the redemption date, or by the redemption date so delayed (which may exceed 60 days from the date of the redemption notice in such case). Such notice of redemption may be extended if such conditions precedent have not been met, by providing notice to the Holders of Notes. Notes called for redemption become due on the applicable redemption date (as such date may be extended or delayed).

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date (whether or not a Business Day).

(7) *MANDATORY REDEMPTION*. Except as set forth in paragraph (5) above and in Section 3.09 of the Indenture, the Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(8) *[RESERVED]*.

(9) *REPURCHASE AT THE OPTION OF HOLDER*.

(a) If a Change of Control occurs, the Issuer may be required to offer to repurchase the Notes as required by the Indenture.

(b) Following the occurrence of certain Asset Sales, the Issuer may be required to offer to repurchase a certain amount of the Notes as required by the Indenture.

(10) *NOTICE OF REDEMPTION*. Notices for redemption shall be as set forth in Section 3.03 of the Indenture.

(11) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

(12) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(13) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, the Notes or any Note Guarantee may be amended, supplemented or waived in accordance with Article 9 of the Indenture.

(14) *DEFAULTS AND REMEDIES*. The Notes are subject to the Defaults and Events of Default set forth in Article 6 of the Indenture. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required, upon becoming aware of any Default or Event of Default (unless such Default or Event of Default has been cured or waived), to deliver to the Trustee a statement specifying such Default or Event of Default as further provided in Section 4.04 of the Indenture.

(15) *TRUSTEE DEALINGS WITH ISSUER*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuer or its Affiliates, and may otherwise deal with the Issuer or its Affiliates, as if it were not the Trustee.

(16) *NO RECOURSE AGAINST OTHERS.* No manager, managing director, director, officer, employee, incorporator or equity holder, including members, of the Issuer, Holdings, any Subsidiary or any direct or indirect parent of the Issuer, as such, will have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(17) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of an authorized signatory of the Trustee or an authenticating agent.

(18) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(19) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) *GOVERNING LAW.* THE LAWS OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE NOTE GUARANTEES.

The Issuer will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:
