QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

1. WHY AM I RECEIVING THESE PROXY MATERIALS?

You are receiving these proxy materials because you held ordinary shares (the “Ordinary Shares”) of Perimeter Solutions, SA, a public limited liability company duly incorporated and validly existing under the laws of the Grand Duchy of Luxembourg, having its registered office at 12E, rue Guillaume Kroll, L-1882 Luxembourg, Grand Duchy of Luxembourg and registered with the *Registre de Commerce et des Sociétés, Luxembourg* (Luxembourg Trade and Companies Register) under number B 256.548 (the “Company,” “our,” “we” or “us”) on April 14, 2022, the record date (the “Record Date”) for the 2022 Annual Meeting of Shareholders (the “Annual Meeting”), to be held online via a live webcast, at 8:00 a.m. (CDT), on July 21, 2022. As a shareholder of record as of the Record Date, you are entitled to notice of, and to vote at, the Annual Meeting or any adjournment thereof. To participate in the Annual Meeting, you must pre-register at www.proxydocs.com/PRM by 5:00 p.m. (CDT), on July 20, 2022. Upon completing your pre-registration, you will receive further instructions via email, including your unique link that will allow you access to the Annual Meeting and will also permit you to submit questions prior to the Annual Meeting.

The proxy materials include our Notice of 2022 Annual Meeting of Shareholders, Proxy Statement and Annual Report on Form 10-K for the year ended December 31, 2021. The proxy materials also include the proxy card for the Annual Meeting, which is being solicited on behalf of the Board of Directors of the Company (the “Board”). The proxy materials contain detailed information about the matters to be voted on at the Annual Meeting and provide updated information about the Company to assist you in making an informed decision when voting your shares.

The Company began furnishing the proxy materials to shareholders on or about May 2, 2022 and will bear the cost of soliciting proxies on behalf of the Company for the Annual Meeting.

2. WHO IS PARTICIPATING IN THIS SOLICITATION?

The Company has retained Georgeson LLC (the “Solicitor”) to aid in the solicitation of proxies and to verify certain records related to the solicitation subject to customary terms and conditions. The Company will bear the cost of soliciting proxies for the Annual Meeting. The Company will pay Solicitor a fee of \$12,500 as compensation for its services and will reimburse it for its reasonable out-of-pocket expenses. Our officers and certain of our employees may also solicit proxies by mail, telephone, e-mail or facsimile transmission. They will not be paid additional remuneration for their efforts. Upon request, we will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of Ordinary Shares.

3. WHO IS ENTITLED TO VOTE AT THE MEETING?

Owners of Ordinary Shares as of the close of business on the Record Date are entitled to vote at the Annual Meeting. Ordinary Shares owned by you include shares you held on the Record Date (i) directly in your name as the shareholder of record (registered shareholder) and (ii) in the name of a broker, bank or other holder of record where the shares were held for you as the beneficial owner (in “street name”). Each ordinary share is entitled to one vote on each matter. As of the Record Date, there were 163,234,542 Ordinary Shares outstanding and entitled to vote. There are no other outstanding voting securities of the Company entitled to vote at the Annual Meeting. A complete list of shareholders entitled to vote at the Annual Meeting will be open to the examination of any shareholder during normal business hours for ten days prior to the Annual Meeting at (i) the registered office of the Company, at 12E, rue Guillaume Kroll, L-1882 Luxembourg, Grand Duchy of Luxembourg and (ii) the Company’s offices at 8000 Maryland Ave. Suite 350, Clayton, Missouri 63105 and virtually at the Annual Meeting.

4. HOW DO I VOTE MY SHARES?

If you are a shareholder of record as of the Record Date, you may vote by any of the following methods:

- Voting by Mail. If you choose to vote by mail, simply complete the enclosed proxy card, date and sign it, and return it in the postage-paid envelope provided. Your shares will be voted in accordance with the instructions on your proxy card.

- Voting by Internet. You may vote through the internet by signing on to the website identified on your proxy card and following the procedures described on the website. Internet voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a personal identification number located on your proxy card. The procedures permit you to give a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote by internet, you should not return your proxy card.
- Voting by Telephone. You may vote your shares by telephone by calling the toll-free telephone number provided on your proxy card. Telephone voting is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a personal identification number located on your proxy card. The procedures permit you to give a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you vote by telephone, you should not return your proxy card.

If your shares are held by a bank, brokerage firm or other nominee, you are considered the “beneficial owner” of shares held in “street name.” If your shares are held in street name, the Notice of Internet Availability of Proxy Materials (including a voting instruction form) are being forwarded to you by your bank, brokerage firm, or other nominee (the “bank or broker”). As the beneficial owner, you have the right to direct your bank or broker how to vote your shares by following the instructions on the Notice of Internet Availability of Proxy Materials or voting instruction form for voting on the internet or by telephone (if made available by your bank or broker with respect to any shares you hold in street name), or by completing and returning the voting instruction form, and the bank or broker is required to vote your shares in accordance with your instructions. You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares at the meeting unless you follow the instructions below under “How do I obtain admission to the Annual Meeting?”.

5. CAN I REVOKE MY PROXY OR CHANGE MY VOTE?

Yes. You may revoke your proxy at any time prior to its exercise at the Annual Meeting. If you attend the Annual Meeting, you may change your vote at any time until the polls are closed at the Annual Meeting. You may change your vote by either: (i) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) whether made via the internet, by telephone or by mail; (ii) if you are a shareholder of record, notifying the Secretary in writing at the registered office of the Company at 12E, rue Guillaume Kroll, L-1882 Luxembourg, Grand Duchy of Luxembourg or at the Company’s offices at 8000 Maryland Ave. Suite 350, Clayton, Missouri 63105 that you want to revoke your earlier proxy; or (iii) if you are attending the Annual Meeting virtually and vote by ballot during the meeting. Your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote by ballot during the Annual Meeting.

If you hold your shares in street name, you may change your vote by contacting your broker or other nominee and following their instructions.

6. HOW WILL MY SHARES BE VOTED IF I SUBMIT A PROXY CARD BUT DO NOT SPECIFY HOW I WANT TO VOTE?

If you sign your proxy card and return it without marking any voting instructions, your shares will be voted at the Annual Meeting or any adjournment or postponement thereof:

- “FOR” the election of all director nominees recommended by our Board (Proposal 1);
- “FOR” Proposals 2 through 8; and
- in the discretion of the persons named as proxies on all other matters that may properly come before the Annual Meeting or any adjournment or postponement thereof.

Despite this, our Board strongly urges you to mark your proxy card in accordance with our Board’s recommendations.

7. HOW DO I OBTAIN ADMISSION TO THE ANNUAL MEETING?

8. MAY I ASK QUESTIONS AT THE ANNUAL MEETING?

Yes. Shareholders will have the ability to submit questions in writing during the Annual Meeting via the annual meeting portal. As part of the Annual Meeting, we will hold a live question and answer session, during which we intend to answer questions submitted during the meeting that are pertinent to the Company and the business of the meeting, as time permits. Rules of Conduct for the Annual Meeting, including the types of questions that the Company does not intend to address will be available on our website at www.perimeter-solutions.com prior to the meeting, and on the meeting portal on the day of the meeting. Examples of questions that are not pertinent are questions related to general economic, political or other views that are not directly related to the business of the Annual Meeting, questions related to personal grievances and derogatory references to individuals.

If there are pertinent questions that cannot be answered during the Annual Meeting due to time constraints, we will post answers to a representative set of such questions (e.g., consolidating duplicative questions) on our website at www.perimeter-solutions.com. The questions and answers will be made available as soon as practicable after the Annual Meeting.

9. WHAT IF I HAVE TECHNICAL DIFFICULTIES OR TROUBLE ACCESSING THE ANNUAL MEETING?

We will have technicians ready to assist you with any technical difficulties you may have accessing the Annual Meeting. If you encounter any difficulties accessing the virtual-only Annual Meeting platform, including any difficulties voting or submitting questions, you may call the technical support number that will be posted in your instructional email.

10. WHAT CONSTITUTES A QUORUM AT THE ANNUAL MEETING?

One half of the outstanding shares of the Company entitled to vote at the Annual Meeting, present in person or by proxy, will constitute a quorum, which is the minimum number of shares that must be present or represented by proxy at the meeting to transact business. All the ordinary shares present or represented will be counted as present to determine whether a quorum has been established.

11. WHAT IS THE VOTING REQUIREMENT TO APPROVE EACH OF THE PROPOSALS?

Seven directors will be elected at the Annual Meeting. The affirmative vote of a majority of the votes cast is required for a director nominee to be elected. You may vote "FOR" or "AGAINST" or "ABSTAIN" for each director nominee. Abstentions and broker non-votes will have no effect on the vote.

The (i) approval of the appointment of BDO USA, LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2022 and BDO Audit SA as the statutory auditor of the Company for the year ending December 31, 2022, (ii) approval of the Annual Accounts, (iii) approval of the Consolidated Financial Statements, (iv) allocation of the results shown in the Annual Accounts, (v) discharge of the directors of the Company for the performance of their mandates as directors of the Company, (vi) approval of the compensation of certain of the non-employee independent directors of the Company for 2021, (vii) approval of the Share Repurchase Program and (viii) any other matter that properly comes before the Annual Meeting will be approved by a majority of the votes cast. You may vote "FOR" or "AGAINST" or "ABSTAIN" from voting for each of these proposals. Abstentions and broker non-votes will have no effect on the vote.

12. WHAT HAPPENS IF I HOLD SHARES IN STREET NAME AND DO NOT SUBMIT VOTING INSTRUCTIONS? WHAT IS A BROKER NON-VOTE?

A broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under applicable rules that govern brokers who are voting with respect to shares held in street name, brokers ordinarily have the discretion to vote on "routine" matters (*e.g.*, approval of the selection of independent public accountants) but not on non-routine matters (*e.g.*, election of directors).

13. WHERE CAN I FIND VOTING RESULTS OF THE ANNUAL MEETING?

We will announce the voting results for the proposals at the Annual Meeting and publish final detailed voting results in a Form 8-K filed with the Securities and Exchange Commission (the "SEC") within four business days after the Annual Meeting.

We are committed to principles of effective corporate governance and to high ethical standards, as well as compliance with all applicable governance standards of the SEC and New York Stock Exchange (the "NYSE"). Highlights of the framework we have established for governance are outlined here, and further described below.

Independence and Qualification of Committee Members

The Audit, Compensation and Nominating and Governance Committees of the Board are comprised of all Independent Directors.

All directors on committees meet the applicable qualification requirements of the SEC and NYSE.

Non-Classified Board Leadership Structure Risk Oversight

The Board is non-classified.

The offices of the Chief Executive Officer and Co-Chairmen of the Board are separated.

The Board is responsible for the oversight of risk, including overseeing the assessment of risk and the appropriate balance of risk mitigation and the appropriate taking of risk.

These risk assessment and balancing tasks are also the responsibility of the Board's committees and the Company's management team.

Open Communication

We encourage communication and solid working relationships among our Co-Chairmen of the Board, Directors, and the Chief Executive Officer.

Our directors have access to the management team and employees.

Stock Retention Guidelines

Our executive officers are required to hold a minimum level of personal investment in the Company pursuant to stock retention guidelines attached to each of their option agreements.

Board and Committee Evaluations

We engage in an annual review of both our Board and its Committees, led by the Chair of the Nominating and Corporate Governance Committee.

Committee Reports

Our Committees report their activities to our Board at each Board meeting to ensure oversight and accountability.

Shareholder Voice

Shareholders and other interested parties can contact our Directors individually or as a group through written communication.

Directors are elected by a majority of the votes cast.

Certain Proposals Mandated by Luxembourg Law

Proposals 2 through 8 on which you are being asked to vote are customary or required for public limited liability companies (*société anonyme*) incorporated under Luxembourg law to present to shareholders at each annual meeting. These proposals may be unfamiliar to shareholders accustomed to proxy statements for companies organized in other jurisdictions. For more detailed information on these proposals, please see pages 30 through 36.

PROPOSAL 1 - ELECTION OF DIRECTORS

Luxembourg law and our articles of association (“Articles”) permit our shareholders to fix the size of the Board. At the date of this Proxy Statement, our Board is comprised of nine directors, seven of whom are non-employee directors and five of whom are independent.

The Board is committed to recruiting and nominating directors for election who will collectively provide the Board with the necessary diversity of experiences, skills and characteristics to enhance the Board’s ability to manage and direct the affairs and business of the Company and to make fully informed, comprehensive decisions. In recommending candidates for election to the Board, in the context of the perceived needs of the Board at that time, the Nominating and Corporate Governance Committee evaluates a candidate’s knowledge, experience, skills, expertise and diversity, and any other factors that the Nominating and Corporate Governance Committee deems relevant. In particular, the Board and the Nominating and Corporate Governance Committee believe that the Board should be comprised of a well-balanced group of individuals.

In 2022, the Nominating and Corporate Governance Committee unanimously recommended to the Board, and the Board unanimously approved the recommendations from the Nominating and Corporate Governance Committee, the nomination of W. Nicholas Howley, William N. Thorndike, Jr., Edward Goldberg, Tracy Britt Cool, Sean Hennessy, Robert S. Henderson and Bernt Iversen II to the Board, each to hold office until the 2023 Annual Meeting of Shareholders or until a successor has been duly elected and qualified. Each nominee has consented to serve if elected. Messrs. Khouri and Raj are not nominated for election at the Annual Meeting.

Shareholder Vote Requirement

The affirmative vote of a majority of the votes cast is required for a director nominee to be elected. You may vote “FOR” or “AGAINST” or “ABSTAIN” for each director nominee. Abstentions and broker non-votes will have no effect on the vote.

Recommendation of the Board

Our Board recommends that shareholders vote “FOR” the seven nominees recommended by the Board.

CORPORATE GOVERNANCE

Introduction

Prior to November 8, 2021, the Board consisted of Messrs. Khouri and Raj and prior to the consummation of the Business Combination on November 9, 2021, the Company had no operations. On November 1, 2021, with effect as of November 8, 2021 the Board (i) appointed members to the Board's four committees (the "Committees") and (ii) adopted the charters of the Committees. On November 8, 2021, the day immediately prior to the consummation of the Business Combination, the shareholders of the Company appointed seven additional members to the Board.

Meetings

During 2021, the Board held one meeting and adopted various resolutions by means of written consent. Each incumbent director attended 100% of the aggregate of (i) the total number of meetings of the Board during the period for which he or she was a director and (ii) the total number of meetings of all Committees on which he or she served during the period for which he or she was a director.

Corporate Governance Guidelines

Our Board is responsible for overseeing the management of our Company. Our Board has adopted Corporate Governance Guidelines (the "Governance Guidelines"), which set forth our governance principles and policies relating to, among other things:

- director independence;
- director qualifications and responsibilities;
- board structure and meetings;
- management succession; and
- the performance evaluation of our Board.

Our Governance Guidelines are available in the Investor Relations section of our website at www.perimeter-solutions.com.

Board Leadership Structure

The Board has not adopted a formal policy regarding the need to separate or combine the offices of Chief Executive Officer and Chairman of the Board and instead the Board remains free to make this determination from time to time in a manner that seems most appropriate for the Company. Although the Board recognizes the benefits of having a combined Chairman and Chief Executive Officer, currently, we separate the positions of our Chief Executive Officer and Co-Chairmen of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for the day-to-day leadership and performance of the Company, while the Co-Chairmen of the Board provide strategic guidance to the Chief Executive Officer and set the agenda for and preside over the Board meetings. In addition, we believe that the current separation provides a more effective monitoring and objective evaluation of the Chief Executive Officer's performance. The separation also allows the Co-Chairmen of the Board to strengthen the Board's independent oversight of our performance and governance standards.

Director Independence

Our Board reviews the independence of the current and potential members of the Board in accordance with independence requirements set forth in the NYSE rules and applicable provisions of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). During its review, the Board considers transactions and relationships between each director and potential director, as well as any member of his or her immediate family, and the Company and its affiliates, including those related-party transactions contemplated by Item 404(a) of Regulation S-K under the Exchange Act. The Board must affirmatively determine that the director has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, that, in the opinion of the Board, would interfere with the exercise of the director's independent judgment in carrying out the responsibilities of a director. The purpose of this review is to determine whether any

such relationships or transactions exist that are inconsistent with a determination that the director is independent. Our Board has determined that all nominees except Messrs. Goldberg, Howley, Khouri and Thorndike are “independent” as such term is defined by NYSE rules, our corporate governance standards and the federal securities laws.

Board Committees

Our Board has four standing committees: Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Executive Committee. Copies of the committee charters of each of the committees setting forth the responsibilities of the committees are available on our website. Information contained in, or accessible through, our website is not a part of, and is not incorporated into, this prospectus. The committees will periodically review their respective charters and recommend any needed revisions to our Board. Assuming election of all of the director nominees, the following is a list of persons who will constitute the Board following the Annual Meeting, including their current committee assignments.

The Compensation Committee has the authority to delegate any of its responsibilities to subcommittees as it may deem appropriate in its sole discretion.

Nominating and Corporate Governance Committee

Number of Meetings from June 21, 2021 (inception) to December 31, 2021: one

The Board has reviewed the background, experience and independence of the Nominating and Corporate Governance Committee members and based on this review, has determined that each member of the Nominating and Corporate Governance Committee meets the independence requirements of the NYSE governance standards and SEC rules and regulations.

Consideration of Director Nominees. The Nominating and Corporate Governance Committee considers possible candidates for nominees for directors from many sources, including shareholders. The Nominating and Corporate Governance Committee evaluates the suitability of potential candidates nominated by shareholders in the same manner as other candidates recommended to the Nominating and Corporate Governance Committee.

In making nominations, the Nominating and Corporate Governance Committee is required to submit candidates who have the highest personal and professional integrity, who have demonstrated exceptional ability and judgment and who shall be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the shareholders. In evaluating nominees, the Nominating and Corporate Governance Committee is required to take into consideration the following attributes, which are desirable for a member of the Board: leadership, independence, interpersonal skills, financial acumen, business experiences, industry knowledge and diversity of viewpoints. In addition, while we do not have a formal, written diversity policy, the Nominating and Corporate Governance Committee will attempt to select candidates who will assist in making the Board a diverse body. We believe that a diverse group of directors brings a broader range of experiences to the Board and generates a greater volume of ideas and perspectives, and therefore, is in a better position to make complex decisions.

Founder Advisory Agreement

Pursuant to the Founder Advisory Agreement and Founder Assignment Agreement, the EverArc Founder Entity provides services to the Company, including strategic and capital allocation advice. The EverArc Founder Entity is owned and operated by William N. Thorndike, Jr., W. Nicholas Howlev, Haitham Khouri, Tracy Britt Cool and Vivek Raj (the “Founders”). Each of the Founders serves as a director of the Company and Haitham Khouri also serves as an executive officer of the Company.

In exchange for the services provided under the Founder Advisory Agreement, the EverArc Founder Entity is entitled to receive both a variable amount (the “Variable Annual Advisory Amount”) and a fixed amount (the “Fixed Annual Advisory Amount,” each an “Advisory Amount” and collectively, the “Advisory Amounts”), each as described below:

- *Variable Annual Advisory Amount.* Effective upon the consummation of the Business Combination through December 31, 2031, and once the Average Price (as defined in the Founder Advisory Agreement) per ordinary share of the Company is at least \$10.00 for ten consecutive trading days, the Variable Annual Advisory Amount will be equal in value to:

- in the first year in which the Variable Annual Advisory Amount is payable, (x) 18% of the increase in the market value of one ordinary share of the Company over \$10.00 (such increase in market value, the “Payment Price”) multiplied by (y) 157,137,410 Ordinary Shares, the Founder Advisory Agreement Calculation Number; and
 - in the following years in which the Variable Annual Advisory Amount may be payable (if at all), (x) 18% of the increase in Payment Price over the previous year Payment Price multiplied by (y) 157,137,410 Ordinary Shares, the Founder Advisory Agreement Calculation Number.
- *Fixed Annual Advisory Amount.* Effective upon the consummation of the Business Combination through December 31, 2027, the Fixed Annual Advisory Amount will be equal to 2,357,061 Ordinary Shares (1.5% of the 157,137,410 Ordinary Shares, the Founder Advisory Agreement Calculation Number).

For 2021, the Average Price was \$13.6254 per share, resulting in a total variable annual advisory fee for 2021 of 7,525,906 Ordinary Shares, or a value of \$102,543,480 (the “2021 Variable Amount”). The EverArc Founder Entity also received the fixed annual advisory amount which was equal to 1.5% of the Founder Advisory Agreement Calculation Number: 2,357,061 Ordinary Shares or a value of \$32,115,899 (based on the Average Price for 2021) (the “2021 Fixed Amount” and together with the 2021 Variable Amount, the “2021 Advisory Amounts”). Per the Founder Advisory Agreement, the EverArc Founder Entity elected to receive approximately 60% of the 2021 Advisory Amounts in Ordinary Shares (5,952,992 Ordinary Shares) and approximately 40% of the Advisory Amounts in cash (\$53,547,483). William N. Thorndike, Jr., W. Nicholas Howley, Haitham Khouri, Vivek Raj and Tracy Britt Cool hold ownership interests of 33%, 33%, 25%, 7% and 2%, respectively, in the EverArc Founder Entity.

The Founder Advisory Agreement can be terminated at any time (i) by the EverArc Founder Entity if the Company ceases to be traded on the NYSE; or (ii) by the EverArc Founder Entity or the Company if there is (A) a Sale of the Company (as defined in the Founder Advisory Agreement) or (B) a liquidation of the Company.

Subject to certain limited exceptions, the EverArc Founder Entity’s liability for losses in connection with the services provided is excluded and the Company has agreed to indemnify the EverArc Founder Entity and its affiliates in relation to certain liabilities incurred in connection with acts or omissions by or on behalf of the Company or the EverArc Founder Entity. If the Founder Advisory Agreement is terminated under (i) or (ii)(A), the Company will pay the EverArc Founder Entity an amount in cash equal to: (a) the Fixed Annual Advisory Amount for the year in which termination occurs and for each remaining year of the term of the agreement, in each case at the Payment Price; and (b) the Variable Annual Advisory Amount that would have been payable for the year of termination and for each remaining year of the term of the agreement. In each case the Payment Price in the year of termination will be calculated on the basis of the Payment Year ending on the trading day immediately prior to the date of termination, save that in the event of a Sale of the Company, the Payment Price will be calculated on the basis of the amount paid by the relevant third party (or cash equivalent if such amount is not paid in cash). For each remaining year of the term of the agreement the Payment Price in each case will increase by 15% each year. No account will be taken of any Payment Price in any year preceding the termination when calculating amounts due on termination. Payment will be immediately due and payable on the date of termination of the Founder Advisory Agreement. On the entry into liquidation of the Company, an Advisory Amount will be payable in respect of a shortened year which will end on the trading day immediately prior to the date of commencement of liquidation.

The Founder Advisory Agreement is governed by New York law.

DIRECTOR COMPENSATION

Our non-employee independent director compensation policy, which was adopted on November 8, 2021, immediately prior to the consummation of the Business Combination, provides for the following compensation for our non-employee independent directors:

- **Annual Retainer.** Each non-employee independent director is paid a retainer of \$75,000 per year.

The terms and conditions of these options are discussed in greater detail under “Compensation Overview—Narrative to Summary Compensation Table—Equity Compensation.”

COMPENSATION OVERVIEW

Introduction

As an emerging growth company, we have opted to comply with the executive compensation disclosure rules applicable to “smaller reporting companies” as such term is defined in the rules promulgated under the Securities Act, which requires compensation disclosure for its principal executive officer and its two other most highly compensated executive officers.

This section discusses the material components of the executive compensation program offered to the executive officers of the Company who are our “named executive officers” for 2021. Such executive officers consist of the following persons, referred to herein as our named executive officers, or the “NEOs”:

- Edward Goldberg – Chief Executive Officer;
- Barry Lederman – Chief Financial Officer; and
- Ernest Kremling II – Chief Operating Officer.

Summary Compensation Table

The following table summarizes the compensation awarded to, earned by or paid to our NEOs for the years ended December 31, 2021 and 2020.

(1) Mr. Kremling joined SK Invictus as Chief Operating Officer in January 2021.

(2) Represents a cash signing bonus paid in connection with the commencement of employment.

(3) Represents the aggregate grant date fair value of stock option awards. The fair values of these awards were determined in accordance with FASB ASC Topic 718. The assumptions used in determining the grant date fair values of these awards are set forth in Note 10 to the Company’s consolidated financial statements, which are included in our Annual Report on Form 10-K for the year ended December 31, 2021, filed with the SEC.

(4) Represents the aggregate grant date fair value, computed in accordance with FASB ASC Topic 718, of 18,510 Class B Units of SK Invictus Holdings S.à r.l. (“Incentive Units”) granted to Mr. Lederman in connection with the commencement of his employment. The Incentive Units represent membership interests in SK Invictus Holdings S.à r.l. that are intended to constitute “profits interests” for federal income tax purposes. Despite the fact that the Incentive Units do not require the payment of an exercise price, they are most similar economically to stock options. Accordingly, they are classified as “options” under the definition provided in Item 402(a)(6)(i) of Regulation S-K as an instrument with an “option-like feature.” The grant date fair value of these Incentive Units was based on a Black-Scholes valuation methodology using the following assumptions: estimated volatility ranging from 160.5% to 211.4% (depending on the performance-vesting criteria applicable to the Incentive Units), risk-free interest rate of 0.1%, 0% expected dividend yield and a one-year term.

- (5) Represents the aggregate grant date fair value, computed in accordance with FASB ASC Topic 718, of (i) 1,000,000 5-Year Options, (ii) 29,167 Bridge Options and (iii) 15,660 Incentive Units granted to Mr. Kremling. The grant date fair value of the Incentive Units was based on a Black-Scholes valuation methodology using the following assumptions: estimated volatility ranging from 100.0% to 150.7% (depending on the performance-vesting criteria applicable to the Incentive Units), risk-free interest rate of 0.1%, 0% expected dividend yield and a 0.8 year term.
- (6) Represents the annual bonus earned by each of our Named Executive Officers pursuant to their respective employment agreements based on the achievement of the applicable performance conditions. See “Narrative Disclosure to Summary Compensation Table” below for additional information.

Employment Agreements

On October 1, 2021, Perimeter Solutions LP, a Delaware limited partnership (the “Employer”) and the Company entered into a new employment agreement with each NEO that became effective upon the closing of the Business Combination on November 9, 2021 (each, an “Employment Agreement” and collectively, the “Employment Agreements”). The Employment Agreements will supersede all prior employment related agreements of the NEOs with the Employer or any of its affiliates, other than any new equity compensation agreements entered into with the Company.

Each New Agreement provides for an indefinite term of employment that continues until terminated and sets forth the NEO’s base salary, target annual bonus opportunity, severance payments, reimbursement of expenses and eligibility to participate in the Company’s 2021 Equity Plan (the “2021 Equity Plan”) and any other employee benefit plans in effect that are generally available to other senior officers. For the year ended December 31, 2021, each NEO’s annual bonus will be determined in accordance with the bonus plan in effect as of the date of the Employment Agreements. For subsequent years, the annual bonus for each NEO will be determined in accordance with the annual cash bonus plan of the Company or Employer, as applicable, in effect from time to time and the target bonus opportunity set forth in the Employment Agreement for that NEO. The NEOs are subject to customary confidentiality, non-competition and non-solicitation covenants under the Employment Agreements.

The Employment Agreement with: (i) Mr. Goldberg provides for an initial annual base salary of \$575,000 and a target annual bonus opportunity equal to 100% of his annual base salary; (ii) Mr. Lederman provides for an initial annual base salary of \$380,000 and a target annual bonus opportunity equal to 50% of his annual base salary; and (iii) Mr. Kremling provides for an initial annual base salary of \$285,000 and a target annual bonus opportunity equal to 40% of his annual base salary. Mr. Lederman’s Employment Agreement also entitles Mr. Lederman to receive a mutually agreed upon reasonable reimbursement amount for his out-of-pocket living expenses associated with commuting to the St. Louis, Missouri, metro area (consisting of monthly rent, a rental car, meals and the price of a first class airfare ticket associated with traveling to and from Wayne, New Jersey, to the St. Louis, Missouri, metro area) for as long as Mr. Lederman does not live in the St. Louis, Missouri, metro area.

Each Employment Agreement also provides for severance payments upon a termination without Cause (as defined in the Employment Agreement), resignation for Good Reason (as defined in the Employment Agreement) or termination due to Disability (as defined in the Employment Agreement). In each case, the applicable NEO will be entitled to a severance amount equal to: (i) 1.25 times the NEO’s annual base salary; (ii) 1.0 times the NEO’s target bonus for the fiscal year in which the termination occurs; and (iii) 15.0 times the difference of: (a) the Monthly COBRA Continuation Coverage Rate (as defined in the Employment Agreement) as of the date of termination; less (b) the monthly cost that is being charged to the NEO for such coverage as of the date of termination. The severance amount will be payable in substantially equal installments over the 15-month period following the date of termination, subject to the NEO executing a release of claims.

Base Salaries

Each of our named executive officers receives a base salary which has been established by our compensation committee or Board, as applicable, taking into account each individual's role, responsibilities, skills, and experience. Base salaries for our named executive officers are reviewed annually by our compensation committee or Board, as applicable, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience.

For the year ended December 31, 2021, the annual base salaries for each of Messrs. Goldberg, Lederman and Kremling were \$575,000, \$380,000, and \$285,000, respectively.

Annual Cash Incentive Compensation

Consistent with the Company's pay-for-performance philosophy, and to promote alignment with shareholders' interests, the Company expects that a portion of each named executive officer's compensation will be based, at the discretion of the Compensation Committee, on individual and/or Company performance. The Company expects that target payout opportunities under its annual cash incentive plan will be based on the combination of the Company's EBITDA performance and each executive's individual performance.

Edward Goldberg

Pursuant to his employment agreement, Mr. Goldberg was eligible to receive an annual cash incentive award with a target incentive opportunity equal to 50% of his annual base salary for the year 2020 and for 2021, he was eligible to receive an annual cash incentive award equal to 100% of his annual base salary subject to the performance metrics and targets to be established by the Compensation Committee. For 2021, Mr. Goldberg was eligible to receive a cash incentive opportunity of \$300,000, which is an amount made up of two components. The first component, which makes up 60% of the amount, is calculated based on the company meeting certain Adjusted EBITDA for fiscal year 2021. The Company met its Adjusted EBITDA target of \$142 million, which paid out Mr. Goldberg's EBITDA portion of his bonus at 150%. The second component, which makes up 40% of the amount, is calculated based on Mr. Goldberg meeting certain performance targets.

Barry Lederman

Pursuant to his employment agreement, Mr. Lederman is eligible to receive an annual cash incentive award with a target incentive opportunity equal to 50% of his annual base salary subject to performance metrics and targets as established by the Compensation Committee. For 2021, pursuant to his Employment Agreement, Mr. Lederman is eligible to receive a cash incentive opportunity of \$250,000, such amount made up of 60% EBITDA portion and 40% based on Mr. Lederman's performance targets. The Company met its Adjusted EBITDA target of \$142 million, which paid out Mr. Kremling's EBITDA portion of his bonus at 150%.

Equity Compensation

Overview

On November 8, 2021, we granted performance-based nonqualified stock options to our NEOs, among other executive officers and other members of senior management under the 2021 Equity Plan. Each grant is subject to the terms and conditions set forth in the 2021 Equity Plan and a stock option agreement entered into between the Company and the applicable recipient.

These options have an exercise price of \$10.00 per ordinary share of the Company and consist of two types of vesting criteria. Of the aggregate number of options granted, to our NEOs, 141,459 were eligible to vest based on the achievement of certain performance goals for the year ended December 31, 2021 (the "Bridge Option"), and the remaining 4,850,000 will be eligible to vest based on the achievement of certain performance goals for the years ending December 31, 2022 through December 31, 2026 (the "5-Year Option").

The Bridge Option was subject to two vesting conditions: (i) a performance-based condition that we achieve an EBITDA of at least \$136.0 million for the year ended December 31, 2021; and (ii) a service-based condition that the recipient remain in continuous service through the first anniversary of the grant date. The performance-based condition was achieved in March 2022 when our Compensation Committee verified that the Company exceeded such EBITDA target. Therefore, each NEO's Bridge Option will vest and become exercisable if such NEO remains in continuous service through the first anniversary of the grant date. No portion of the Bridge Option will be considered vested unless and until such service-based condition is also met.

The 5-Year Option will be eligible to vest over a five-year period in equal annual tranches based on the achievement of annual operating performance per diluted share ("AOP") targets set forth in the award agreements. The AOP targets are based on a compounded annual growth rate, and the actual AOP achieved for any given year will be calculated in accordance with a formula set forth in the award agreements. For each yearly tranche, the 5-Year Option originally required 15% compounded annual growth for minimum vesting (resulting in 25% of that tranche vesting) and 25% compounded annual growth for maximum vesting (resulting in 100% of that tranche vesting). However, the Compensation Committee adjusted these compounded annual growth targets to 13.5% and 23.5%, respectively, in March 2022 to ensure that the performance targets for the 5-Year Option are appropriately set considering the Company's cost structure as a public company and that such targets remain competitive and consistent with the Company's philosophy of linking compensation directly to value creation. If the actual AOP achieved for any given year exceeds the maximum target, such excess may be treated as having been achieved in the following two fiscal years and/or the prior two fiscal years (without duplication) if less than the full amount of options would otherwise have vested for such years.

To further align management and shareholders, the option agreements also provide participants with the right to receive dividend equivalent payments (DEPs). If the Company declares a dividend on its ordinary shares, each NEO will receive a cash DEP equal to the amount such NEO would otherwise have been entitled to receive had such options been exercised immediately prior to payment of the dividend, provided that no NEO will be entitled to receive any DEPs on unvested options unless and until such options vest pursuant to their terms.

In the event of a change of control, a percentage of the unvested options that remain eligible for vesting with respect to the then-current performance year and each remaining performance year will vest in an amount equal to the greater of (i) the average vesting percentage of the prior two performance years and (ii) the amount that would have vested for each applicable remaining year if such determination had been based on the price per share paid at the closing of such change of control transaction instead of AOP.

PROPOSAL 3 — APPROVAL OF THE ANNUAL ACCOUNTS FOR THE FINANCIAL PERIOD FROM JUNE 21, 2021 (INCEPTION) TO DECEMBER 31, 2021

Pursuant to Luxembourg law, the Annual Accounts must be submitted each year to the shareholders for approval at the Company's annual meeting of shareholders.

The Board has prepared and is submitting to the shareholders of the Company the Annual Accounts for the financial period started on June 21, 2021 and ended on December 31, 2021.

The Annual Accounts are prepared in accordance with Luxembourg GAAP, are expressed in USD, give a true and fair view of the Company's business and consist of a balance sheet, a profit and loss account and the accompanying notes, for the unconsolidated Perimeter Solutions, SA entity. There is no statement of shareholders' equity or statement of cash flows included in the Annual Accounts under Luxembourg GAAP. Profits earned by the subsidiaries of Perimeter Solutions, SA are not included in the Annual Accounts unless such amounts are distributed to Perimeter Solutions, SA.

The Annual Accounts, together with the report of the BDO Audit SA, independent auditor on such Annual Accounts, will be available, along with this Proxy Statement and Annual Report on Form 10-K for the year ended December 31, 2021, on the Company's website at www.perimeter-solutions.com; and at the Registered Office of the Company in Luxembourg beginning 15 days before the Annual Meeting until the date of the Annual Meeting. Copies of the Annual Accounts and the relevant audit report will also be sent to any shareholder free of charge when available upon request in accordance with article 461-6 of the Luxembourg law of 10 August 1915 on commercial companies (the "Law").

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes "FOR" or "AGAINST" this proposal.

Recommendation of the Board

The Board recommends that shareholders vote "FOR" the approval of the Annual Accounts, after due consideration of the report from BDO Audit SA on such Annual Accounts.

PROPOSAL 4 — APPROVAL OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD FROM JUNE 21, 2021 (INCEPTION) TO DECEMBER 31, 2021

Pursuant to Luxembourg law, the Consolidated Financial Statements must be submitted each year to shareholders for approval at the Company's annual meeting of shareholders.

The Consolidated Financial Statements are prepared in accordance with U.S. GAAP and consist of consolidated statements of operations and comprehensive income (loss), consolidated balance sheets, consolidated statements of changes in shareholders' equity, consolidated statements of cash flows and the accompanying notes. The Consolidated Financial Statements present the financial position and results of operations for the Company and all of its consolidated subsidiaries.

The Consolidated Financial Statements, together with the report from BDO USA, LLP included with such Consolidated Financial Statements, are available, along with this Proxy Statement and Annual Report on Form 10-K for the year ended December 31, 2021, on the Company's website at www.perimeter-solutions.com. The Consolidated Financial Statements, together with the report of BDO USA, LLP, are also available on the Company's website at www.perimeter-solutions.com; and at the Registered Office of the Company in Luxembourg beginning 15 days before the Annual Meeting until the date of the Annual Meeting. Copies of the Consolidated Financial Statements and the relevant audit report will also be sent to any shareholder free of charge upon request in accordance with article 461-6 of the Law.

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes "FOR" or "AGAINST" this proposal.

Recommendation of the Board

PROPOSAL 5 — ALLOCATION OF THE RESULTS OF THE ANNUAL ACCOUNTS FOR THE FINANCIAL PERIOD FROM JUNE 21, 2021 (INCEPTION) TO DECEMBER 31, 2021

Each year, the shareholders of the Company are required by Luxembourg law to approve the allocation of the results of the unconsolidated Perimeter Solutions, SA entity, as determined by the Annual Accounts.

Article 461-1 of the Law requires that at least 5% of the profits, if any, shown by the Annual Accounts be allocated to a legal reserve; provided however that an allocation ceases to be compulsory when the legal reserve reaches 10% of the share capital of the Company, but again becomes compulsory when the reserve amount falls below this threshold.

As of December 31, 2021, the Annual Accounts reflect a loss for the year then ended. As noted in Proposal No. 3, profits earned by subsidiaries of Perimeter Solutions, SA are not included in the calculation of profits for the Annual Accounts unless such profits have been distributed to the Company.

The Board proposes to allocate the loss reflected in the Annual Accounts to be carried forward.

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes “FOR” or “AGAINST” this proposal.

Recommendation of the Board

The Board recommends that shareholders vote “FOR” the allocation of the results shown in the Annual Accounts for the financial period from June 21, 2021 (inception) to December 31, 2021.

PROPOSAL 6 — DISCHARGE OF LIABILITY TO CURRENT DIRECTORS OF THE COMPANY FOR THE EXERCISE OF THEIR MANDATES AS DIRECTORS OF THE COMPANY IN RELATION TO THE FINANCIAL PERIOD FROM JUNE 21, 2021 (INCEPTION) TO DECEMBER 31, 2021

In accordance with Article 461-7 of the Law, upon approval of the Annual Accounts and Consolidated Financial Statements, the shareholders must vote as to whether to discharge those who were members of the Board during the financial period from June 21, 2021 (inception) to December 31, 2021 from any liability in connection with their mandates for such period.

If the shareholders grant the discharge for the relevant period, shareholders will not be able to initiate a liability claim against such directors in connection with the performance of their mandates for such period. However, such discharge will be valid only if the Annual Accounts and the Consolidated Financial Statements contain no omission or false information concealing the true situation of the Company, and with regard to any acts carried out which fall outside the scope of the Articles, only if they have been specifically indicated in the convening notice for the Annual Meeting. For the financial period from June 21, 2021 (inception) to December 31, 2021, the Company believes no such instances that would invalidate the discharge have occurred.

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes “FOR” or “AGAINST” this proposal.

Recommendation of the Board

The Board recommends that shareholders vote “FOR” the granting of full discharge of liability to the current directors of the Company for the exercise of their mandates as directors of the Company in relation to the financial period from June 21, 2021 (inception) to December 31, 2021.

PROPOSAL 7 — APPROVAL OF THE COMPENSATION OF CERTAIN OF THE NON-EMPLOYEE INDEPENDENT DIRECTORS OF THE COMPANY FOR 2021

The compensation of certain of the Company's non-employee independent directors is approved annually at the Company's annual meeting of shareholders. Messrs. Howley, Thorndike, Jr. and Khouri will not receive any additional compensation for their service as directors in light of their affiliation and control over the entity which provides advisory services to the Company in exchange for a fee. In addition, Mr. Goldberg, who serves as our Chief Executive Officer, is not entitled to receive any additional compensation for his services as a director.

It is proposed that the compensation described elsewhere in this Proxy Statement under the heading "Director Compensation" be approved by the shareholders to be paid to certain of the Company's non-employee independent directors for their service in 2021.

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes "FOR" or "AGAINST" this proposal.

Recommendation of the Board

The Board recommends that shareholders vote "FOR" the approval of compensation of certain of the non-employee independent directors of the Company for 2021.

PROPOSAL 8 — APPROVAL OF SHARE REPURCHASE PROGRAM

The Board has approved a proposal to submit to the shareholders of the Company a share repurchase program (the “Share Repurchase Program”) whereby the Board is empowered to purchase outstanding Ordinary Shares within certain limits. The Share Repurchase Program shall be subject to Luxembourg law and provide for equal treatment for shareholders. The term of authorization to the Board will be five (5) years. The maximum number of Ordinary Shares authorized to be repurchased will be up to twenty-five percent (25%) of Ordinary Shares outstanding as of the date of shareholder approval. Ordinary Shares are eligible for purchase at a minimum price of one dollar (\$1.00) per share and a maximum price of one hundred dollars (\$100.00) per share. The purchase volumes will be subject to daily volume restrictions per SEC regulations. In accordance with the Articles, the Board is empowered to give authority to a repurchase committee, consisting of Messrs. Howley, Khouri and Thorndike, Jr., to decide within the limits of the authorization set out above, the timing and conditions of the Share Repurchase Program.

In lieu of accumulating cash, which provides a low rate of return to shareholders, or paying dividends, which are often subject to double taxation, the Board believes the Share Repurchase Program will be an effective use of the Company’s cash earnings to generate shareholder value.

Shareholder Vote Requirement

This proposal will be approved by a majority of the votes cast. Abstentions and broker non-votes will not be counted as votes “FOR” or “AGAINST” this proposal.

Recommendation of the Board

The Board recommends that shareholders vote “FOR” the approval and ratification of the Share Repurchase Program.

Any proposal intended to be presented for action at the 2023 Annual Meeting of Shareholders by any shareholder of the Company must be received by the Secretary of the Company at its principal executive offices not later than December 30, 2022 in order for such proposal to be considered for inclusion in the Company's proxy statement and form of proxy relating to its 2023 Annual Meeting of Shareholders. Nothing in this paragraph shall be deemed to require the Company to include any shareholder proposal which does not meet all the requirements for such inclusion established by Rule 14a-8 of the Exchange Act.

For other shareholder proposals to be timely (but not considered for inclusion in the proxy statement for the 2023 Annual Meeting of Shareholders), a shareholder's notice must be received by the Secretary of the Company between March 23, 2023 and April 22, 2023 and the proposal and the shareholder must comply with Rule 14a-4 under the Exchange Act. In the event that a shareholder proposal intended to be presented for action at the next Annual Meeting is not received prior to April 24, 2023, proxies solicited by the Board in connection with the Annual Meeting will be permitted to use their discretionary voting authority with respect to the proposal, whether or not the proposal is discussed in the proxy statement for the Annual Meeting.

Any shareholder proposal must also meet all other requirements contained in our Articles.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of this Notice of 2022 Annual Meeting of Shareholders, Proxy Statement and 2021 Annual Report may have been sent to multiple shareholders in your household, unless the Company has received contrary instructions from one or more shareholders. We will promptly deliver a separate copy of each document to you if you write the Company's Secretary at Perimeter Solutions, SA, 12E, rue Guillaume Kroll, L-1882 Luxembourg, Grand Duchy of Luxembourg or 8000 Maryland Ave. Suite 350, Clayton, Missouri 63105, or call (314) 396-7343. If you want to receive separate copies of the Notice of 2022 Annual Meeting of Shareholders, Proxy Statement and 2021 Annual Report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or, if the shares are not held in "street name," you may contact the Company at the above address and phone number.

Shareholder Communications

Shareholders who wish to communicate with the Board, a Board committee or any such other individual director or directors may do so by sending written communications addressed to the Board, a Board committee or such individual director or directors, c/o Secretary, Perimeter Solutions, SA, 12E, rue Guillaume Kroll, L-1882 Luxembourg, Grand Duchy of Luxembourg or 8000 Maryland Ave. Suite 350, Clayton, Missouri 63105. Any shareholder communication that is not in the nature of advertising, promotions of product or service, or patently offensive material will be forwarded promptly to the member(s) of the Board to whom the shareholder communication is addressed. In the case of any shareholder communication to the Board or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.
